OMB Control Number: 1810-0868

Type of Review: An extension without change of a currently approved collection

Respondents / Affected Public: State, Local, and Tribal Governments

Total Estimated Number of Annual Responses: 312

Abstract: This extension request is necessary to continue the collection of the existing MSIX User Application. State educational agencies (SEAs) with MEPs will collect the information from state and local education officials who desire access to the MSIX system. The form verifies the applicant's need for MSIX data and authorizes the user's access to that data. The burden hours associated with the data collection are required to meet the statutory mandate in Sec. 1308(b) of Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act, which is to facilitate the electronic exchange by the SEAs of a set of minimum data elements to address the educational and related needs of migratory children.
