Full Text of Announcement

Note: Applicants must meet the deadlines for both EASIE Part I and Part II to be eligible to receive a grant. Failure to submit the required supplemental documentation, described under Content and Form of Application Submission in section IV of this notice, by the EASIE Part I or II deadline will result in an incomplete application that will not be considered for funding. OIE recommends uploading the documentation at least two days prior to each deadline date to ensure that any potential submission issues are resolved prior to the deadlines.

I. Funding Opportunity Description

Purpose of Program: The Office of Indian Education Formula Grants to Local Educational Agencies (Formula Grants) program provides grants to support local educational agencies (LEAs), Indian Tribes and organizations, and other eligible entities in developing and implementing elementary and secondary school programs that serve Indian students.
These funds must be used to support comprehensive programs that are designed to meet the unique cultural, language, and educational needs of American Indian and Alaska Native (AI/AN) students and ensure that all students meet challenging State academic standards. The information gathered from the project’s final annual performance report (APR) will be utilized to complete OIE’s required annual Government Performance and Results Act (GPRA) report. Specifically, that report covers the Secretary’s established key performance measures for assessing the effectiveness and efficiency of the Formula Grants program as detailed in this notice.

Integration of Services Authorized

As authorized under section 6116 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), the Secretary will, upon receipt of an acceptable plan for the integration of education and related services, and in cooperation with other relevant Federal agencies, authorize the entity receiving the funds under this program to consolidate all Federal funds that are to be used exclusively for Indian students. Instructions for submitting an integration of education and related services plan are included in EASIE, which is described under Application and Submission Information in section IV of this notice.
Note: Under the Formula Grants program, all applicants are required to develop proposed projects in open consultation, including through public hearings held to provide a full opportunity to understand the program and to offer recommendations regarding the program (section 6114(c)(3)(C) of the ESEA), with parents of Indian children and teachers of Indian children, representatives of Indian Tribes on Indian lands located within 50 miles of any school that the LEA will serve if such Tribes have any children in such school, Indian organizations (IOs), and, if appropriate, Indian students from secondary schools. LEA applicants are required to develop proposed projects with the participation and written approval of an Indian Parent Committee whose membership includes parents and family members of Indian children in the LEA’s schools; representatives of Indian Tribes on Indian lands located within 50 miles of any school that the LEA will serve if such Tribes have any children in such school; teachers in the schools; and, if appropriate, Indian students attending secondary schools of the LEA (ESEA section 6114(c)(4)). The majority of the Indian Parent Committee members must be parents and family members of Indian children (section 6114(c)(4) of the ESEA).

Definitions: The following definition is from ESEA section 6112(d)(3):
Indian community-based organization (ICBO) means any organization that (1) is composed primarily of Indian parents, family members and community members, Tribal government educational officials, and Tribal members, from a specific community; (2) assists in the social, cultural, and educational development of Indians in such community; (3) meets the unique cultural, language, and academic needs of Indian students; and (4) demonstrates organizational and administrative capacity to manage the grant.

Statutory Hiring Preference:

(a) Awards that are primarily for the benefit of Indians are subject to the provisions of section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)). That section requires that, to the greatest extent feasible, a grantee--

(1) Give to Indians preferences and opportunities for training and employment in connection with the administration of the grant; and

(2) Give to IOs and to Indian-owned economic enterprises, as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452(e)), preference in the award of contracts in connection with the administration of the grant.

(b) For purposes of this section, an Indian is a member of any federally recognized Indian Tribe (25 U.S.C. 1452(b)).

Applicable Regulations: (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 81, 82, 84, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

Bureau of Indian Education of the U.S. Department of the Interior (BIE), as prescribed by ESEA section 6113(d); Indian Tribes and IOs under certain conditions, as prescribed by ESEA section 6112(c); and ICBOs, as prescribed by ESEA section 6112(d). 2. a. **Cost Sharing or Matching:** This program does not require cost sharing or matching.

   b. **Supplement-Not-Supplant:** ESEA Section 6114(c)(1) requires a grantee to use these grant funds only to supplement the funds that, in the absence of these Federal funds, such agency would make available for services described in this application, and not to supplant such funds.

   c. **Indirect Cost Rate Information:** This program uses a restricted indirect cost rate. For more information regarding restricted indirect costs, or to obtain a negotiated restricted indirect cost rate, please see: www2.ed.gov/about/offices/list/ocfo/restrate.html

   d. **Administrative Cost Limitation:** We note that, under ESEA section 6115(d) and per the Consolidated Appropriations Act, 2021, no more than five percent of the funds awarded for a grant may be used for direct administrative costs. This five percent limit does not include indirect costs.

IV. Application and Submission Information
1. **How to Request an Application Package:** You can obtain an entity-specific link for the electronic application for grants under this program by contacting the PSC listed under FOR FURTHER INFORMATION CONTACT.

   Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the PSC listed under FOR FURTHER INFORMATION CONTACT.

2. **Content and Form of Application Submission:** (a) Requirements concerning the content of an application, together with the forms you must submit and technical assistance resources, are located on the EASIE Communities of Practice website at https://easie.grads360.org/.

   **Note:** To address the current needs of OIE’s formula award applicants, EASIE will move to the OMB MAX Survey Portal. OIE and PSC will create dedicated technical assistance documentation to support applicants and grantees with accessing, navigating, entering data, and submitting their responses in the new system. Prior to the opening of EASIE Part I, this documentation will be announced and posted on the EASIE Communities of Practice website at: https://easie.grads360.org/.

   User accounts will be replaced with an entity-specific link (also known as a token) to access the new EASIE application in the OMB MAX Survey Portal. Only individuals that are registered as the current Point of Contact or
Superintendent/Authorized Representative will receive the entity-specific link to access the application for EASIE Part I and II. The Superintendent/Authorized Representative can continue to delegate the responsibility of completing the EASIE application in the new OMB MAX Survey to other entity contacts by sharing their entity-specific link internally. The Superintendent/Authorized Representative is ultimately responsible for the review and certification the application. Please contact the PSC with any questions related to this change.

(b) **Supplementary Documentation:** The EASIE application requires submission of the following supplementary documentation in electronic Portable Document Format (PDF):

(i) In EASIE Part I, applicants that are Tribes, IOs, or ICBOs must submit the appropriate “Applying in Lieu of the LEA” agreement form with their application to verify their eligibility no later than March 11, 2021 (which is the closing date of EASIE Part I). Each separate eligibility document is identified by applicant-type as either: Tribe Applying in Lieu of an LEA Agreement; IO Agreement; or ICBO Agreement. These are available on the Getting Started page in the EASIE Portal as downloadable documents. The details of the verification process, which are necessary to meet the statutory eligibility
requirements for Tribes, IOs, and ICBOs, are in the application package.

(ii) In EASIE Part I, an applicant that is the lead applicant for a consortium must use the consortium agreement form that is available on the Getting Started page in the EASIE Portal as a downloadable document and upload it to EASIE no later than March 11, 2021, the EASIE Part I closing date.

(iii) In EASIE Part II, for an applicant that is an LEA or a consortium of LEAs, the EASIE application requires the electronic PDF submission of the Indian Parent Committee Approval form no later than the deadline for transmittal of EASIE Part II, which is May 14, 2021. Applicants are encouraged to begin planning parent committee meetings early to ensure parent committee requirements are met before EASIE Part II closes. The form is available on the EASIE Communities of Practice website at https://easie.grads360.org/.

3. Submission Dates and Times:

Part I of the Formula Grant EASIE Applications Available: February 8, 2021.
Part II of the Formula Grant EASIE Applications Available: April 5, 2021.
Deadline for Transmittal of EASIE Part II: May 14, 2021, 11:59 p.m., Eastern Time.

OIE will only consider an application that is compliant with deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under FOR FURTHER INFORMATION CONTACT. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department, you must--

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN;
b. Register both your DUNS number and TIN with the System for Award Management (SAM), the Government’s primary registrant database;

c. Provide your DUNS number and TIN on your SAM application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following website: http://fedgov.dnb.com/webform. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow
sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grant/apply/sam-faqs.html.

6. Other Submission Requirements:

a. Electronic Submission of Applications.

Electronic Application System for Indian Education (EASIE): EASIE is an electronic application found in the EASIE OMB MAX Survey Portal via an entity-specific link. It is divided into two parts—EASIE Part I and EASIE Part II.

EASIE Part I, student count, provides the appropriate data-entry screens to submit verified, aggregated, Indian student count totals based on either the Indian School Equalization Program (ISEP) count or the Indian Student Eligibility Certification Form (ED 506 Form). All applicants must submit a current Indian student count for FY 2021. Applicants must use the ED 506 Form to document
eligible Indian students; however, BIE schools may use either the ISEP count or the ED 506 Form count to verify their Indian student counts. Applicants must protect the privacy of all individual data collected and only report aggregated data to the Secretary.

Applicants that verify their Indian student count with the ED 506 Form must document their Indian student counts by completing the following: (1) each year, the applicant must verify there is a valid ED 506 Form for each Indian child included in the count; (2) all ED 506 Forms included in the count must be completed, signed, and dated by the parent, and be on file; (3) the applicant must maintain a copy of the student enrollment roster(s) covering the same period of time indicated in the application as the count period; and (4) each Indian child included in the count must be listed on the LEA’s enrollment roster(s) for at least one day during the count period.

BIE schools that enter an ISEP count to verify their Indian student count must use the most current Indian student count certified by the BIE.

Once an Indian child is determined to be eligible to be counted for such grant award, the applicant must maintain a record of such determination and must not require a new or duplicate determination or form to be made for such child for a subsequent application for a grant under this program.
Applicants must indicate the time span for the project objectives and corresponding activities and services for AI/AN students. Applicants can choose to set objectives that remain the same for up to four years to facilitate data collection and enhance long-term planning.

In EASIE Part II, all applicants are required to--

(1) Select the type of program being submitted as either regular formula grant program, formula grant project consolidated with a title I schoolwide program, or integration of services under ESEA section 6116;

(2) Select the grade levels offered by the LEA or BIE school;

(3) Identify, from a list of possible Department grant programs (e.g., ESEA title I), the programs in the LEA that are currently coordinated with a title VI project, or with which the school district plans to coordinate during the project year, in accordance with ESEA section 6114(c)(5), and describe the comprehensive program for AI/AN students with those grant programs;

(4) Describe the professional development opportunities that will be provided as part of a comprehensive program to ensure that teachers and other school professionals who are new to the Indian community are prepared to work with Indian children, and that all teachers who will be involved in programs assisted by this grant have
been properly trained to carry out such programs, as required by ESEA section 6114(b)(5);

(5) Provide information on how the State assessment data of all Indian students (not just those served) are used and how such information will be disseminated to the Indian community, Indian Parent Committee, and Indian Tribes whose children are served by the LEA. Also describe how assessment data from the previous school year (SY) were used, as required by ESEA section 6114(b)(6);

(6) Indicate when the public hearing was held for SY 2021, as required by ESEA section 6114(c)(3)(C);

(7) For an applicant that is an LEA, BIE school, or a consortium of LEAs or BIE schools, describe the process the applicant used to meaningfully collaborate with Indian Tribes located in the community in a timely, active, and ongoing manner in the development of the comprehensive program and the actions taken as a result of such collaboration (ESEA section 6114(b)(7));

(8) Identify specific project objectives that will further the goal of providing culturally responsive education for AI/AN students to meet their academic needs and help them meet State achievement standards (ESEA section 6115(b)), and identify the data sources that will be used to measure progress toward meeting project objectives;
(9) For an LEA that selects a schoolwide application, identify how the use of such funds in a schoolwide program will produce benefits to Indian students that would not be achieved if the funds were not used in a schoolwide program (ESEA section 6115(c)(3));

(10) Submit a program budget and justification based on the estimated grant amount that the EASIE system calculates from the Indian student count submitted in EASIE Part I. After the initial grant amounts are determined, additional funds may become available due to such circumstances as withdrawn applications or reduction in another applicant’s student count. An applicant whose award amount increases or decreases more than $5,000 must submit a revised budget prior to receiving its grant award but will not need to re-certify its application. If an applicant’s award amount increases or decreases by less than $5,000, a budget update is not required. For an applicant that receives an increased award amount following submission of its original budget, the applicant must allocate the increased amount only to previously approved budget categories;

(11) As required by section 427 of the General Education Provisions Act (GEPA), describe the steps the applicant proposes to take to ensure equitable access to, and participation in, the project or activity to be conducted with such assistance, by addressing the special
needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age; and

(12) If needed, provide additional comments to assist OIE in the review of the application.

**Registration for Formula Grant EASIE:** Current, former, and new applicants interested in submitting a Formula Grant EASIE application must register for Formula Grant EASIE. Prior to the opening of EASIE Part I, PSC will send a broadcast to prior year grantees and new prospective applicants that have contacted PSC and registered for EASIE. All recipients who receive PSC’s broadcast will be asked to complete their intent to apply for the upcoming application period in the EASIE Portal. All prospective applicants will be provided the opportunity to confirm if any updates to their registration information are necessary, and/or if they would like to completely decline registration. Entities that do not have an active registration or are new applicants should contact the PSC listed under FOR FURTHER INFORMATION CONTACT to register any time before the EASIE Part I application deadline date. Registration does not serve as the entity’s grant application. For assistance registering, contact the PSC listed under FOR FURTHER INFORMATION CONTACT.
Certification for Formula Grant EASIE: The applicant’s authorized representative, who must be a senior level official (Superintendent, Tribal Chief, or similar) of the entity and legally authorized by the applicant organization to approve the application, must certify EASIE Part I and Part II by the deadline date. Each applicant should identify at least three system users, one for each of the following: project director, authorized representative, and another party (such as a Budget Director) designated to answer questions in the event the project director is unavailable. The certification process ensures that the information in the application is true, reliable, and valid. An applicant that provides a false statement in the application is subject to penalties under the False Claims Act, 18 U.S.C. 1001.

V. Grant Administration Information

1. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements
in the application package and reference these and other requirements in the Applicable Regulations section of this notice. We reference the regulations outlining the terms and conditions of a grant in the Applicable Regulations section of this notice.

3. **Reporting:**
   (a) If you apply for a grant under this program, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding. This does not apply if you have an exception under 2 CFR 170.110(b).

   (b) You must submit an annual performance report (APR) using EASIE via the OMB MAX Survey Portal entity-specific link, including financial information, as directed by the Secretary, within 90 days after the close of the grant year. You will be able to access the APR via the EASIE portal link provided to registered entities prior to the system being open to users. Grantees will receive an email from the PSC identifying the date that the APR will be available to grantees and the deadline for its transmission.

4. **Performance Measures:** The Secretary has established the following key performance measures for assessing the effectiveness and efficiency of the Formula Grants program: (1) the percentage of AI/AN students in grades four and eight who score at or above the basic level
in reading on the National Assessment of Educational Progress (NAEP); (2) the percentage of AI/AN students in grades four and eight who score at or above the basic level in mathematics on the NAEP; (3) the percentage of AI/AN students in grades three through eight meeting State achievement standards by scoring at or above the proficient level in reading and mathematics on State assessments; (4) the difference between the percentage of AI/AN students in grades three through eight at or above the proficient level in reading and mathematics on State assessments and the percentage of all students scoring at those levels; (5) the percentage of AI/AN students who graduate from high school as measured by the four-year adjusted cohort graduation rate; (6) the percentage of grantees providing culturally responsive activities; and (7) the percentage of funds used by grantees prior to award close-out.

Note: In any year in which NAEP or State assessment data are systematically unavailable, reporting of such data will not be required and will not be used for purposes of performance measures.

5. **Integrity and Performance System**: If you receive an award under this grant program that over the course of the project period may exceed the simplified acquisition threshold (currently $250,000), under 2 CFR 200.206(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards--
that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through SAM. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.
