SUPPLEMENTARY INFORMATION:

Background

On November 13, 2020, the Board of Governors approved the following amendments to its Bylaws to address a variety of issues. Many of the amendments are designed to clarify, in both form and substance, existing provisions, and also to increase their accuracy and align them to current practice.

Additions and deletions have also been made to better conform the Bylaws to existing law. Among other things, the amendments also clarify that the Governors are ultimately responsible for adjusting rates, and that the Postal Regulatory Commission’s role is to review those rate adjustments. Additions have been made to expand the information to which the Governors have regular
access and to clarify that any additional information can be requested as needed.

A new section has been added to govern situations in which there are an insufficient number of Governors to constitute a quorum.
