## **SUPPLEMENTARY INFORMATION:**

### **Comments:**

The original information collection notice for an extension without change was previously published in the Federal Register on July 20, 2020, at 85 FR 43866, allowing for a 60-day public comment period. USCIS did receive 26 comments in connection with the 60-day notice. USCIS subsequently published a second notice in the Federal Register on November 13, 2020 at 85 FR 72682 for a revision to the collection of information. USCIS published a notice of withdrawal in the Federal Register for the revision action on December 31, 2020 at 85 FR 86946, which incorrectly listed the original notice publication as 85 FR 46882.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2012-0012 in the search box. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
