### SUPPLEMENTARY INFORMATION:

#### I. Background

The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (2015 Act), enacted as part of the Bipartisan Budget Act of 2015, Pub. L. 114-74, sec. 701, 129 Stat. 584, 599-601, requires agencies to adjust their civil penalties for inflation annually, beginning on July 1, 2016, and no later than January 15 of every year thereafter. In accordance with the 2015 Act, annual inflation adjustments are to be based on the percent change between the Consumer Price Index for all Urban Consumers (CPI-U) for October of the previous year and the October CPI-U of the year before that. Penalty level adjustments should be rounded to the nearest dollar.

#### II. Discussion

The statutory definition of civil monetary penalty covers various civil penalty provisions under the Rail (Part A); Motor Carriers, Water Carriers, Brokers, and Freight Forwarders (Part B); and Pipeline Carriers (Part C) provisions of the Interstate Commerce Act, as amended. The Board's civil (and criminal) penalty authority related to rail transportation appears at 49 U.S.C. 11901-11908. The Board's penalty authority related to motor carriers, water carriers, brokers, and freight forwarders appears at 49 U.S.C. 14901-14916. The Board's penalty authority related to pipeline carriers appears at 49 U.S.C. 16101-16106.<sup>1</sup> The Board has regulations at 49 CFR part 1022 that codify the method set forth in the 2015 Act for annually adjusting for inflation the civil monetary penalties within the Board's jurisdiction.

As set forth in this final rule, the Board is amending 49 CFR part 1022 to make an annual inflation adjustment to the civil monetary penalties in conformance with the requirements of the 2015 Act. The adjusted penalties set forth in the rule will apply only to violations that occur after the effective date of this regulation.

In accordance with the 2015 Act, the annual adjustment adopted here is calculated by multiplying each current penalty by the cost-of-living adjustment factor of 1.01182, which reflects the percentage change between the October 2020 CPI-U (260.388) and the October 2019 CPI-U (257.346). The table at the end of this decision shows the statutory citation for each civil penalty, a description of the provision, the adjusted statutory civil penalty level for 2020, and the adjusted statutory civil penalty level for 2021.

### III. Final Rule

The final rule set forth at the end of this decision is being issued without notice and comment pursuant to the rulemaking provision of the Administrative Procedure Act

---

<sup>1</sup> The Board also has various criminal penalty authority, enforceable in a federal criminal court. Congress has not, however, authorized federal agencies to adjust statutorily prescribed criminal penalty provisions for inflation, and this rule does not address those provisions.

(APA), 5 U.S.C. 553(b)(B), which does not require that process “when the agency for good cause finds” that public notice and comment are “unnecessary.” Here, Congress has mandated that the agency make an annual inflation adjustment to its civil monetary penalties. The Board has no discretion to set alternative levels of adjusted civil monetary penalties, because the amount of the inflation adjustment must be calculated in accordance with the statutory formula. Given the absence of discretion, the Board has determined that there is good cause to promulgate this rule without soliciting public comment and to make this regulation effective immediately upon publication.

#### IV. Regulatory Flexibility Statement

The Regulatory Flexibility Act (RFA), as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601-612, generally requires an agency to prepare a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements, unless the agency certifies that the rule will not have a significant economic impact on a substantial number of small entities. Because the Board has determined that notice and comment are not required under the APA for this rulemaking, the requirements of the RFA do not apply.

#### V. Congressional Review Act

Pursuant to the Congressional Review Act, 5 U.S.C. 801-808, the Office of Information and Regulatory Affairs has designated this rule as a non-major rule, as defined by 5 U.S.C. 804(2).

#### VI. Paperwork Reduction Act

This final rule does not contain a new or amended information collection requirement subject to the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3521.
