SUPPLEMENTARY INFORMATION:

I. Abstract

This information collection comprises two rarely used short supply activities: "Registration of U.S. Agricultural Commodities for Exemption from Short Supply Limitations on Export (USAG)", and "Petitions for the Imposition of Monitoring or Controls on Recyclable Metallic Materials; Public Hearings (Petitions)." II. Method of Collection

Any entity, including a trade association, firm or certified or recognized union or group of workers, which is representative of an industry or a substantial segment of an industry which processes metallic materials capable of being recycled with respect to which an increase in domestic prices or a domestic shortage, either of which results from increased exports, has or may have a significant adverse effect on the national economy or any sector thereof, may submit a written petition to BIS requesting the monitoring of exports, or the imposition of export controls, or both, with respect to such materials.
