Certain Hardwood Plywood from the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that 24 exporters of certain hardwood plywood products (hardwood plywood) from the People’s Republic of China (China) under review had no shipments of subject merchandise during the period of review (POR) January 1, 2019 through December 31, 2019. Commerce also preliminarily determines that the 34 remaining companies subject to this review, including Lianyungang Yuantai International Trade Co., Ltd. (Yuantai), are part of the China-wide entity because they did not demonstrate eligibility for separate rates.

DATES: Applicable [Insert Date of Publication in the Federal Register].

SUPPLEMENTARY INFORMATION:

Background

On March 10, 2020, Commerce published in the Federal Register a notice of initiation of an administrative review of the antidumping duty (AD) order\(^1\) on hardwood plywood from China with respect to 58 producers/exporters.\(^2\) Subsequently, we released U.S. Customs and Border

Protection (CBP) data to interested parties for comment.\(^3\) We received comments from the petitioner\(^4\) but no other interested party commented on the CBP data.

In April 2020, we received timely no-shipment certifications from 24 companies,\(^5\) and we also received a separate rate certification (SRC) from Yuantai.\(^6\) We did not receive a no-shipment statement, separate rate application (SRA), or SRC from any other company subject to this review. Also, in April 2020, Commerce exercised its discretion to toll administrative review deadlines by 50 days.\(^7\) As a result, all deadlines in this proceeding were extended by 50 days.

In April and May 2020, we requested additional information from Yuantai related to its SRC,\(^8\) and although Yuantai timely provided some information,\(^9\) it later informed Commerce that it was unable to respond further because the company had ceased operations.\(^10\)

In July 2020, Commerce exercised its discretion to toll administrative review deadlines by an additional 60 days.\(^11\) The revised deadline for the preliminary results of this review is now January 21, 2021.\(^12\)

---

\(^11\) See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews,” dated July 21, 2020. All deadlines in this proceeding have been extended by 60 days.

\(^12\) The preliminary results deadline falls on January 20, 2021, which is a federal holiday. Commerce’s practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business
For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as Appendix III to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

**Scope of the Order**

The product covered by this order is hardwood plywood from China. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

**Preliminary Determination of No Shipments**

Based upon the no-shipment certifications received by Commerce, and our review of CBP data, we preliminarily find that 24 companies had no shipments during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our assessment practice in non-market economy administrative reviews, Commerce is not rescinding this review for these 24 companies. Commerce intends to
complete the review and issue appropriate instructions to CBP based on the final results of this review.

Separate Rates

Commerce preliminarily finds that Yuantai has not established its eligibility for a separate rate. Additionally, because 33 other companies under review did not submit a no-shipment certification, SRA, or SRC, Commerce preliminarily determines that these companies have not demonstrated their eligibility for separate rates. For additional information, see the Preliminary Decision Memorandum.

China-Wide Entity

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review. Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the China-wide entity. Because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review and the China-wide entity’s rate (i.e., 183.36 percent) is not subject to change. For additional information, see the Preliminary Decision Memorandum.

Public Comment

In accordance with 19 CFR 351.309(c), case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of these preliminary results, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline date for case briefs. Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each

argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.22

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) the party’s name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to those issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.23

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, AD duties on all appropriate entries of subject merchandise covered by this review.24 We have not calculated any assessment rates in this administrative review. Based on record evidence, we have determined that 24 companies had no shipments of subject merchandise and, therefore, pursuant to Commerce’s assessment practice, any suspended entries that entered under their case numbers, where available, will be liquidated at the China-wide entity rate.25 For all remaining companies subject to this review, which are part of the China-wide entity, we will instruct CBP to liquidate their entries at the current rate for the China-wide entity (i.e., 183.36 percent). Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review in the Federal Register.26

Cash Deposit Requirements

23 See 19 CFR 351.310(d).
24 See 19 CFR 351.212(b)(1).
26 Id.
The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rates for the 24 companies that had no shipments during the POR will remain unchanged from the rates assigned to them in the most recently completed segment for each company; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (i.e., 183.36 percent); and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
Notification to Interested Parties

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(l) of the Act, and 19 CFR 351.213(h)(1).

Dated: January 12, 2021.

Assistant Secretary
for Enforcement and Compliance.
