Federal Energy Regulatory Commission

[Docket No. CP21-24-000]

Breitburn Operating L.P.; Notice of Application and Establishing Intervention Deadline

Take notice that on January 7, 2021, Breitburn Operating L.P. (Breitburn), 1111 Bagby Street, Suite 1600, Houston, Texas 77002, filed in the above referenced docket an application pursuant to section 7(b) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations to abandon the limited jurisdiction certificate issued on November 14, 2008 in Docket No. CP08-473-000. Specifically, Breitburn request to abandon the operation of 8.3-mile, 12-inch diameter pipeline located in Meade County, Kentucky (Cardinal Line). The Cardinal Line is not currently delivering natural gas to Texas Gas Transmission, LLC (Texas Gas), and upon receiving the authorization requested, Breitburn will disconnect the Cardinal Line from its interconnect with Texas Gas and transfer the inactive Cardinal Line to Nucor Corporation (Nucor) to be used in the future by Nucor or a successor entity to provide natural gas supply to Nucor's steel mill, which is currently under development. The Cardinal Line does not transport third-party gas, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Any questions concerning this application should be directed to Caleb Cooley, Pipeline Compliance Lead, Maverick Natural Resources, LLC, 1111 Bagby Street, Suite 1600, Houston, Texas 77002, by telephone at (903) 291-6511, or by email at [caleb.cooley@mavresources.com](mailto:caleb.cooley@mavresources.com).

Pursuant to section 157.9 of the Commission's Rules of Practice and Procedure,<sup>1</sup> within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an

EA in the Commission’s public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff’s FEIS or EA.

## **PUBLIC PARTICIPATION**

There are two ways to become involved in the Commission’s review of this project: you can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on **February 11, 2021**.

### **Comments**

Any person wishing to comment on the project may do so. Comments may include statements of support or objections to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be. To ensure that your comments are timely and properly recorded, please submit your comments on or before **February 11, 2021**.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number **(CP21-24-000)** in your submission.

- (1) You may file your comments electronically by using the [eComment](#) feature, which is located on the Commission’s website at [www.ferc.gov](http://www.ferc.gov) under the link to [Documents and Filings](#). Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;
- (2) You may file your comments electronically by using the [eFiling](#) feature, which is located on the Commission’s website ([www.ferc.gov](http://www.ferc.gov)) under the link to [Documents and Filings](#). With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on “[eRegister](#).” You will be asked to select the type of filing you are making; first select “General” and then select “Comment on a Filing”; or
- (3) You can file a paper copy of your comments by mailing them to the following address below.<sup>2</sup> Your written comments must reference the Project docket number **(CP21-24-000)**.

<sup>2</sup> Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

888 First Street NE  
Washington, DC 20426

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Persons who comment on the environmental review of this project will be placed on the Commission's environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission's environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

### **Interventions**

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,<sup>3</sup> has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>4</sup> and the regulations under the NGA<sup>5</sup> by the intervention deadline for the project, which is **February 11, 2021**. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

All timely, unopposed motions to intervene are automatically granted by operation of Rule 214(c)(1). Motions to intervene that are filed after the intervention deadline are untimely and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules

### **TRACKING THE PROCEEDING**

Throughout the proceeding, additional information about the project will be available from the Commission's Office of External Affairs, at **(866) 208-FERC**, or on the FERC website at [www.ferc.gov](http://www.ferc.gov) using the "eLibrary" link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. For more information and to register, go to [www.ferc.gov/docsfiling/esubscription.asp](http://www.ferc.gov/docsfiling/esubscription.asp).
