SUPPLEMENTARY INFORMATION: As required by the Paperwork Reduction Act of 1995 OPM is soliciting comments for this collection. The information collection (OMB No. 3206-0194) was previously published in the Federal Register on April 7, 2020 at 85 FR 19518, allowing for a 60-day public comment period. Comments were received; however, they were not related to this Information Collection Request. The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Form RI 92-22, Annuity Supplement Earnings Report, is used to annually obtain the earned income of Federal Employees Retirement System (FERS) annuitants receiving an annuity supplement. The annuity supplement is paid eligible FERS annuitants who are not retired on disability and are not yet age 62. The supplement approximates the portion of a full career Social Security benefits earned while under FERS and ends at age 62. Like Social Security benefits, the annuity supplement is subject to an earnings limitation.
