Background

After publication of the notice of initiation of this sunset review of the AD order on certain steel grating from China,¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), the Metal Grating Coalition (Coalition) consisting of Nucor Grating, IKG

USA, LLC, Ohio Gratings, Inc., Interstate Gratings, LLC and Lichtgitter USA Inc. (collectively, the domestic interested parties) filed with Commerce a timely and complete notice of intent to participate in the sunset review,² and a timely and adequate substantive response.³ Commerce did not receive a substantive response from any respondent interested party. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Order*.⁴

Scope of the *Order*

The products covered by the order are certain steel grating, consisting of two or more pieces of steel, including load-bearing pieces and cross pieces, joined by any assembly process, regardless of: (1) size or shape; (2) method of manufacture; (3) metallurgy (carbon, alloy, or stainless); (4) the profile of the bars; and (5) whether or not they are galvanized, painted, coated, clad or plated.

Certain steel grating that is the subject of the order is currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under subheading 7308.90.7000. While the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

For a full description of the scope of the order, see the Issues and Decision Memorandum.
