of publication of this notice, unless otherwise extended.\textsuperscript{15}

\textbf{Assessment Rates}

Upon publication of the final results of this administrative review, Commerce shall
determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on
all appropriate entries covered by this review.\textsuperscript{16}

If SIW’s calculated weighted-average dumping margin is above \textit{de minimis} (\textit{i.e.},
greater than or equal to 0.5 percent) in the final results of this review, we will calculate
importer-specific assessment \textit{ad valorem} rates based on the ratio of the total amount of
antidumping duties calculated for the importer’s examined sales and the total entered value of
the sales in accordance with 19 CFR 351.212(b)(1). If SIW’s weighted-average dumping
margin continues to be zero or \textit{de minimis}, or the importer-specific assessment rate is zero or
\textit{de minimis} in the final results of review, we intend to instruct CBP to liquidate the appropriate
entries without regard to antidumping duties.\textsuperscript{17}

The final results of this review shall be the basis for the assessment of antidumping duties
on entries of merchandise covered by the final results of this review and for future deposits of
estimated duties, where applicable.

\begin{itemize}
  \item \textsuperscript{14}See 19 CFR 351.310(d).
  \item \textsuperscript{15}See section 751(a)(3)(A) of the Act.
  \item \textsuperscript{16}See 19 CFR 351.212(b)(1).
  \item \textsuperscript{17}See 19 CFR 351.106(c)(2).
\end{itemize}
In accordance with our “automatic assessment” practice, for entries of subject merchandise during the POR produced by SIW for which SIW did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.\textsuperscript{18}

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

**Cash Deposit Requirements**

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for SIW will be the rate established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, \textit{de minimis} within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently-completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.91 percent, the all-others rate established in the LTFV investigation.\textsuperscript{19}

These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

\textsuperscript{18} For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

\textsuperscript{19} See Order.
This notice serves as a preliminary reminder to importers of their responsibility under 19
CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior
to liquidation of the relevant entries during this review period. Failure to comply with this
requirement could result in Commerce’s presumption that reimbursement of antidumping duties
occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections
751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(4).

Assistant Secretary
for Enforcement and Compliance.
