General description of report: Section 15C of the Securities Exchange Act of 1934 (the Act), establishes federal regulation of brokers and dealers of government securities, including banks and other financial institutions, and directs those brokers and dealers to keep certain records. These requirements are implemented for SMBs by sections 208.34(c), (d), and (g) of the Board’s Regulation H, which require that non-exempt state member banks effecting securities transactions for customers establish and maintain a system of records of these transactions,

---

2 The requirements of section 208.34 of Regulation H apply to all SMBs that effect more than 500 government securities brokerage transactions per year, unless the institution has filed a written notice, or is required to file notice, with the Board that it acts as a government securities broker or a government securities dealer. These requirements also do not apply to activities of foreign branches of SMBs; activities of nonmember, non-insured trust company subsidiaries of bank holding companies; or activities that are subject to regulations promulgated by the Municipal Securities Rulemaking Board. In addition, SMBs with an annual average of less than 200 securities transactions for customers over the prior three calendar years (exclusive of transactions in U.S. government and agency obligations) are exempt from these Regulation H recordkeeping, disclosure, and reporting requirements. See 12 CFR 208.34(a)(1)(i)-(iv).
furnish confirmations of transactions to customers that disclose certain information, and establish
written policies and procedures relating to securities trading.

**Legal authorization and confidentiality:** FR H-3 is authorized pursuant to Section 23 of the Act\(^3\),
which empowers the Board to make rules and regulations implementing those portions of the Act
for which it is responsible. Because these records and disclosures would be maintained at each
banking organization, the Freedom of Information Act (FOIA) would only be implicated if the
Board obtained such records as part of the examination or supervision of a banking organization.
In the event the records are obtained by the Board as part of an examination or supervision of a
financial institution, this information may be considered confidential pursuant to exemption 8 of
the FOIA, which protects information contained in “examination, operating, or condition
reports” obtained in the bank supervisory process.\(^4\) In addition, the information may also be kept
confidential under exemption 4 for the FOIA, which protects commercial or financial
information obtained from a person that is privileged or confidential.\(^5\)

**Current actions:** On October 14, 2020, the Board published a notice in the *Federal Register*
(85 FR 65047) requesting public comment for 60 days on the extension, without revision, of
FR H-3. The comment period for this notice expired on December 14, 2020. The Board did not
receive any comments.
