Overview of this information collection:

1. *Type of Information Collection:* New collection.
2. *Title of the Form/Collection:* Registration for CSA-Data Use Request.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* There will be no form number. The applicable component within the Department of Justice is the Drug Enforcement Administration, Diversion Control Division.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*  
Affected public (Primary): Business or other for-profit.  
Affected public (Other): Not-for-profit institutions; Federal, State, local, and tribal governments.

Abstract: In accordance with the Controlled Substance Act (CSA), every person who manufactures, distributes, dispenses, conducts research with, imports, or exports any controlled substance to obtain a registration issued by the Attorney General. 21 U.S. 822, 823, and 957. While DEA registrants are able to self-verify their registration status, non-registrants do not have an obligation to register under the CSA, and therefore does not have an automatic means to verify the registration of a DEA-registrant. Non-registrants have obligations to verify the registration statuses before doing things such as hiring practitioners, paying for controlled substance prescriptions covered by Medicaid or Medicare, and other means that are apart of commerce. This proposed collection would allow non-registrants to register for access to the CSA Database System, which gives the names and registration statuses of all DEA-registrants. Applicants would be required to re-apply annually by completing this form and submitting to DEA.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The below table presents information regarding the number of respondents, responses and associated burden hours.

Activity	Number of Annual Responses	Number of Annual Responses	Average Time per Response (Minutes)	Total Annual Hours
Registration for CSA Data-Use Request	1,000	1,000	15	250
<b>Total</b>	<b>1,000</b>	<b>1,000</b>		<b>250</b>

6. *An estimate of the total public burden (in hours) associated with the proposed collection:* DEA estimates that this collection takes 250 annual burden hours.
