SUPPLEMENTARY INFORMATION:

Agenda

The Scientific and Statistical Committee will meet to review initial information from the Atlantic Herring Plan Development Team (PDT) and provide the PDT guidance on developing rebuilding plan alternatives for Atlantic Herring. They will receive a presentation on the Northeast Fisheries Science Center's (NEFSC) State of the Ecosystem

Report and provide the NEFSC any recommendations about revisions. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 USC 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
