

## Notice of Lodging of Proposed Amended Consent Decree Under The Clean Air Act

On March 1, 2021, the Department of Justice simultaneously filed a Complaint and lodged a proposed Consent Decree with the United States District Court for the Northern District of Indiana in the lawsuit entitled *United States and the State of Indiana v. Steel Dynamics, Inc.*, Civil Action No. 1:21-cv-86.

The United States and the State of Indiana filed a complaint against Steel Dynamics, Inc. (“Steel Dynamics”) alleging violation of the Clean Air Act (“CAA”) at Steel Dynamic’s Flat Roll Division and Iron Dynamics Division. The proposed Consent Decree resolves the claims in the Complaint by requiring Steel Dynamics to install a new 300,000 actual cubic feet per minute baghouse to control emissions from the Flat Roll Division’s three ladle metallurgical stations and to take steps to improve its recordkeeping and monitoring. Additionally, Steel Dynamics will pay a civil penalty of \$475,000 to be split even with the United States and the State of Indiana.
