Extension: Rule 9b-1

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 9b-1, Options Disclosure Document (17 CFR 240.9b-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 9b-1 (17 CFR 240.9b-1) sets forth the categories of information required to be disclosed in an options disclosure document (“ODD”) and requires the options markets to file an ODD with the Commission 60 days prior to the date it is distributed to investors. In addition, Rule 9b-1 provides that the ODD must be amended if the information in the document becomes materially inaccurate or incomplete and that amendments must be filed with the Commission 30 days prior to the distribution to customers. Finally, Rule 9b-1 requires a broker-dealer to furnish to each customer an ODD and any amendments prior to accepting an order to purchase or sell an option on behalf of that customer or when approving a customer’s account for options trading.

There are 16 options markets<sup>1</sup> that must comply with Rule 9b-1. These respondents work together to prepare a single ODD covering options traded on each market, as well as

<sup>1</sup> The sixteen options markets are as follows: BOX Exchange LLC, Cboe BZX Exchange, Inc., Cboe C2 Exchange, Inc., Cboe EDGX Exchange, Inc., Cboe Exchange, Inc., Miami International Securities Exchange LLC, MIAX Emerald, LLC, MIAX PEARL, LLC,

amendments to the ODD. These respondents file approximately 3 amendments per year. The staff calculates that the preparation and filing of amendments should take no more than eight hours per options market. Thus, the total time burden for options markets per year is approximately 384 hours (16 options markets x 8 hours per amendment x 3 amendments). The estimated cost for an in-house attorney is \$420 per hour,<sup>2</sup> resulting in a total internal cost of compliance for these respondents of approximately \$161,280 per year (384 hours at \$420 per hour).

In addition, approximately 1,020 broker-dealers<sup>3</sup> must comply with Rule 9b-1. Each of these respondents will process an average of 3 new customers for options each week and, therefore, will have to furnish approximately 156 ODDs per year. The postal mailing or electronic delivery of the ODD takes respondents no more than 30 seconds to complete for an annual time burden for each of these respondents of approximately 78 minutes or 1.3 hours. Thus, the total time burden per year for broker-dealers is approximately 1,326 hours (1,020 broker-dealers x 1.3 hours). The estimated cost for a general clerk of a broker-dealer is \$63 per hour,<sup>4</sup> resulting in a total internal cost of compliance for these respondents of approximately \$83,538 per year (1,326 hours at \$63 per hour).

<sup>2</sup> SIFMA did its last annual survey in 2013 and will not resume the survey process. Accordingly, the \$420 figure is based on the 2013 figure (\$380) adjusted by the inflation rate calculated using the Bureau of Labor Statistics' CPI Inflation Calculator. The \$380 per hour figure for an Attorney is from SIFMA's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

<sup>3</sup> The estimate of 1,020 broker-dealers required to comply with Rule 9b-1 is derived from Item 12 of the Form BD (OMB Control No. 3235-0012). This estimate may be high as it includes broker-dealers that engage in only a proprietary business, and as a result are not required to deliver an ODD, as well as those broker-dealers subject to Rule 9b-1.

<sup>4</sup> The \$63 figure is based on the 2013 figure (\$57) adjusted for inflation. See *supra* note 2. The \$57 per hour figure for a General Clerk is from SIFMA's Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour

The total time burden for all respondents under this rule (both options markets and broker-dealers) is approximately 1,710 hours per year (384 + 1,326), and the total internal cost of compliance is approximately \$244,818 per year (\$161,280 + \$83,538).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead. The staff believes that the ODD would be mailed or electronically delivered to customers by a general clerk of the broker-dealer or some other equivalent position.
