SUPPLEMENTARY INFORMATION:

Background

On August 6, 2020, Commerce initiated the administrative review of the AD order on chlorinated isocyanurates (chlorinated isos) from China covering the period June 1, 2019, through May 31, 2020.<sup>1</sup> The petitioners in this review are Bio-lab, Inc., Clearon Corp., and Occidental Chemical Corp. (collectively, the petitioners). This review covers two producers/exporters: Heze Huayi and Kangtai. On September 8, 2020, Heze Huayi and Kangtai both certified that their respective companies had no entries of subject merchandise during the

POR.<sup>2</sup> Based on our review of U.S. Customs and Border Protection data, we preliminarily found that Heze Huayi and Kangtai had no entries of subject merchandise originating from China, that were subject to antidumping duties during the POR.<sup>3</sup>

For a complete description of the events that followed the initiation of this administrative review, *see* the Preliminary Decision Memorandum.<sup>4</sup> A list of topics included in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

#### Scope of the Order

The products covered by the order are chlorinated isos, which are derivatives of cyanuric acid, described as chlorinated s-triazine triones. For a full description of the scope of the order, *see* Preliminary Decision Memorandum.<sup>5</sup>

#### Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Based on the available record information, Commerce preliminarily determines that Heze Huayi and Kangtai had no shipments during the POR. For additional information regarding this determination, *see* the Preliminary Decision Memorandum. Consistent with our assessment practice in non-market economy administrative reviews, Commerce is not rescinding this review for Heze Huayi and Kangtai, but intends to complete the review and issue appropriate instructions to CBP based on the final results of the review.<sup>6</sup>

#### China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.<sup>7</sup> Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and we did not self-initiate a review, the China-wide entity rate (*i.e.*, 285.63 percent) is not subject to change as a result of this review.<sup>8</sup> Aside from Heze Huayi and Kangtai, no other companies requested a review. For additional information, *see* the Preliminary Decision Memorandum.

#### Public Comment

In accordance with 19 CFR 351.309(c), case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of these preliminary results, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline date for case briefs.<sup>9</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Note that Commerce has

Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.<sup>12</sup> Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the *Federal Register*, unless extended, pursuant to section 751(a)(3)(A) of the Act.

#### Assessment Rates

Upon issuing the final results of this review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>13</sup> We intend to liquidate entries containing subject merchandise exported by the companies under review that we determine in the final results to be part of the China-wide entity at the China-wide rate of 285.63 percent. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries

until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be the existing producer/exporter-specific combination rate published for the most recent period; (2) for all Chinese exporters of subject merchandise that have not been found to be eligible for a separate rate, the cash deposit rate will be the China-wide rate of 285.63 percent;<sup>14</sup> and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 19 CFR 351.221(b)(4).

Dated: March 2, 2021.
