SUPPLEMENTARY INFORMATION:

Background

On September 30, 2020, we published a proposed rule (85 FR 61684) to reclassify beach layia from endangered to threatened (i.e., “downlist” the species) under the Act (16 U.S.C. 1531 et seq.). The proposed rule established a 60-day public comment period, ending November 30, 2020. We received a request for a public hearing. Therefore, we are reopening the comment period and announcing a public informational meeting and a public hearing to allow the public an additional opportunity to provide comments on the proposed rule.

For a description of previous Federal actions concerning beach layia and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the September 30, 2020, proposed rule (85 FR 61684).

Public Hearing

We have scheduled a public informational meeting and public hearing on our September 30, 2020, proposed rule to reclassify beach layia (85 FR 61684). We will hold the public informational meeting and public hearing on the date and at the times listed above under *Public informational meeting and public hearing* in **DATES**. We are holding the public informational meeting and public hearing via the Zoom online video platform and via teleconference so that participants can attend remotely. For security purposes, registration is required. To listen and view the meeting and hearing via Zoom, listen to the meeting and hearing by telephone, or provide oral public comments at the public hearing by Zoom or telephone, you must register. For information on how to register, or if you encounter problems joining Zoom the day of the meeting, visit <https://www.fws.gov/arcata/es/plants/beachLayia/layia.html>. Registrants will receive the Zoom link and the telephone number for the public informational meeting and public hearing. If applicable, interested members of the public not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public informational meeting and public hearing.

The public hearing will provide interested parties an opportunity to present verbal testimony (formal, oral comments) regarding the September 30, 2020, proposed rule to reclassify beach layia (85 FR 61684). While the public informational meeting will be an opportunity for dialogue with the Service, the public hearing is not. The purpose of the public hearing is to provide a forum for accepting formal verbal testimony, which will then become part of the record for the proposed rule. In the event there is a large attendance, the time allotted for verbal testimony may be limited. Therefore, anyone wishing to provide verbal testimony at the public hearing is encouraged to provide a prepared written copy of their statement to us through the Federal eRulemaking Portal, or U.S. mail (see **ADDRESSES**, above). There are no limits on the length of written comments submitted to us. Anyone wishing to provide verbal testimony at the public hearing must register before the hearing (<https://www.fws.gov/arcata/es/plants/beachLayia/layia.html>). The use of a virtual public hearing is consistent with our regulations at 50 CFR 424.16(c)(3).

Reasonable Accommodation

The Service is committed to providing access to the public informational meeting and public hearing for all participants. Closed captioning will be available during the public informational meeting and public hearing. Further, a full audio and video recording and transcript of the public hearing will be posted online at <https://www.fws.gov/arcata/es/plants/beachLayia/layia.html> after the hearing. Participants will also have access to live audio during the public informational meeting and public hearing via their telephone or computer speakers. Persons with disabilities requiring reasonable accommodations to participate in the meeting and/or hearing should contact the person listed under **FOR FURTHER INFORMATION CONTACT** at least 5 business days prior to the date of the meeting and hearing to help ensure availability. An accessible version of the Service's public informational meeting presentation will also be posted online at <https://www.fws.gov/arcata/es/plants/beachLayia/layia.html> prior to the meeting and hearing (see

DATES, above). See <https://www.fws.gov/arcata/es/plants/beachLayia/layia.html> for more information about reasonable accommodation.
