SUPPLEMENTARY INFORMATION:

Title: Waiver of 60-Day Rollover Requirement.

OMB Number: 1545-2269.

Revenue Procedure: 2020-46.

Abstract: Revenue Procedure 2020-46 modifies and updates Rev. Proc. 2016-47, 2016-37 I.R.B. 346. Section 3.02(2) of Rev. Proc. 2016-47 provides a list of permissible reasons for self-certification of eligibility for a waiver of the 60 day rollover requirement, and, in response to requests from stakeholders, this revenue procedure modifies that list by adding a new reason: a distribution was made to a state unclaimed property fund. As under Rev. Proc. 2016-47, a self-certification relates only to the reasons for missing the 60-day deadline, not to whether a distribution is otherwise eligible to be rolled over. An appendix contains a model letter that may be used for self-certification.

Upon receipt of a self-certification, a plan administrator or IRA trustee may accept the contribution and treat it as having satisfied the requirements for a waiver of the 60-day requirement. Currently, the only way for a taxpayer to obtain a waiver of the 60 day requirement with respect to an amount distributed to a state unclaimed property fund is to apply to the Internal Revenue Service (IRS) for a favorable ruling, which is issued by the Tax Exempt and Government Entities Division (TE/GE). The user fee for a ruling is \$10,000. The program outlined in this revenue procedure permits taxpayers to receive the benefits of a waiver without paying a user fee.

Current Actions: There is no change to this existing revenue procedure.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals or Households.

Estimated Number of Respondents: 160.

Estimated Time Per Response: 3 hours.

Estimated Total Annual Burden Hours: 480.

Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

REQUEST FOR COMMENTS: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
