SUPPLEMENTARY INFORMATION:

Background

On January 5, 2021, Commerce published a notice of opportunity to request an administrative review of the CVD duty order on biodiesel from Argentina for the POR. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review, 86 FR 291 (January 5, 2021).

March 4, 2021, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the CVD order for the POR with respect to these 18 companies.\(^3\) On March 23, 2021, Commerce placed U.S. Customs and Border Protection (CBP) entry data for U.S. imports of biodiesel from Argentina for the POR on the record of this review.\(^4\) On April 22, 2021, based on a lack of suspended entries from the companies subject to the review, Commerce placed its notice of intent to rescind this review on the record and invited interested parties to comment.\(^5\) Then, on April 23, 2021, the petitioner timely withdrew its request for review for all 18 companies.\(^6\)

**Rescission of Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. The petitioner withdrew its request for review for all 18 companies within 90 days of the publication of the *Initiation Notice*, and no other party requested an administrative review of the CVD order for the POR. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding the administrative review of the CVD order on biodiesel from Argentina for the POR, in its entirety.

**Assessment**

Commerce will instruct CBP to assess countervailing duties on all appropriate entries of biodiesel from Argentina during the POR at rates equal to the cash deposit rates for estimated countervailing duties that were required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication.
