SUPPLEMENTARY INFORMATION:

Title: Large Trader Reporting for Physical Commodity Swaps, (OMB Control No. 3038-0095). This is a request for extension of a currently approved information collection.

¹ 17 CFR 145.9.

Abstract: Part 20 of the Commission’s regulations (“Reporting Rules”) requires clearing organizations and any persons that are “reporting entities” to file swaps position data with the Commission. The Reporting Rules require each clearing organization to submit clearing member reports to the Commission. The Reporting Rules also require each reporting entity to submit position reports to the Commission that indicate the reporting entity’s principal and counterparty positions in cleared and uncleared physical commodity swaps. Reporting entities are persons that are either “clearing members” or “swap dealers” that are otherwise not clearing members. For purposes of part 20, reporting parties are required to submit data on positions on a futures equivalent basis so as to allow the Commission to assess a trader’s market impact across differently structured but linked derivatives instruments and markets. This renewal updates the total requested burden based on available reported data.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On February 24, 2021, the Commission published in the Federal Register notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 86 FR 11267 (“60-Day Notice”). The Commission did not receive any comments on the 60-Day Notice.

Burden Statement: The Commission is revising its estimate of the burden for this collection. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 5,088.

Estimated Average Burden Hours Per Respondent: 12.86.

Estimated Total Annual Burden Hours: 65,412.

Frequency of Collection: On Occasion.

There are no capital costs or operating and maintenance costs associated with this collection.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: May 14, 2021.

Robert Sidman,

Deputy Secretary of the Commission.
