**SUMMARY:** The Federal Communications Commission (Commission) is correcting the amendatory instructions for the E-Licensing Report and Order that appeared in the *Federal Register* on December 29, 2020. The Report and Order finalizes the Commission's transition to electronic interactions for licenses in the Wireless Radio Services. We make this correction because an amendatory instruction in the rules can no longer be implemented as written. This is because the rule was modified after the Report and Order was adopted but before the rule modification was scheduled to take effect.
