**SUPPLEMENTARY INFORMATION:** OSHA established the Safe + Sound Campaign, a voluntary effort to support the implementation of safety and health programs in businesses throughout the United States. The Campaign includes periodic activities and events, ranging from regular email updates to quarterly national Webinars to local meetings to an annual national stand down, designated to increase overall employer and employee awareness and understanding of safety and health programs and promote employer adoption of these programs. To gain information needed to support this effort, OSHA is proposing to survey, and in some cases interview, those participating in the Campaign activities. The goal of the information collection is to understand and respond to the needs of participants and publicly highlight outcomes to enhance the effectiveness of the Campaign. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on December 9, 2020 (85 FR 79222).
