This notice relies on the authority of the Paperwork Reduction Act of 1995; 44
U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval,
extension, or renewal of a Coast Guard collection of information (Collection). The ICR
contains information describing the Collection’s purpose, the Collection’s likely burden
on the affected public, an explanation of the necessity of the Collection, and other
important information describing the Collection. There is one ICR for each Collection.
The Coast Guard invites comments on whether this ICR should be granted based on the
Collection being necessary for the proper performance of Departmental functions. In
particular, the Coast Guard would appreciate comments addressing: (1) the practical
utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3)
ways to enhance the quality, utility, and clarity of information subject to the Collection;
and (4) ways to minimize the burden of the Collection on respondents, including the use
of automated collection techniques or other forms of information technology. These
comments will help OIRA determine whether to approve the ICR referred to in this
Notice.
