Certain Corrosion-Resistant Steel Products from the People’s Republic of China: Negative Final Determination of Circumvention Involving South Africa

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that imports of certain corrosion-resistant steel products (CORE), completed in South Africa using carbon hot-rolled steel (HRS) and/or cold-rolled steel (CRS) flat products (substrate) sourced from the People’s Republic of China (China) (merchandise subject to these inquiries), are not circumventing the antidumping duty (AD) and countervailing duty (CVD) orders on CORE from China at this time.

DATES: Applicable [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

Background

On February 18, 2020, Commerce published in the Federal Register its preliminary determination\(^1\) that imports of CORE completed in South Africa are not circumventing the China CORE Orders\(^2\) at this time. A summary of events that occurred since Commerce published the

Preliminary Determination, as well as a full discussion of the issues raised by parties for this final determination, may be found in the Issues and Decision Memorandum. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/.

Scope of the Orders

The products covered by these orders are certain flat-rolled steel products, either clad, plated, or coated with corrosion-resistant metals such as zinc, aluminum, or zinc-, aluminum-, nickel- or iron-based alloys, whether or not corrugated or painted, varnished, laminated, or coated with plastics or other non-metallic substances in addition to the metallic coating. For a complete description of the scope of the orders, see the Issues and Decision Memorandum.

Scope of the Anti-Circumvention Inquiries

These anti-circumvention inquiries cover CORE completed in South Africa from HRS and/or CRS substrate input manufactured in China and subsequently exported to the United States (merchandise subject to these inquiries).

Methodology

Commerce is conducting these anti-circumvention inquiries in accordance with section 781(b) of the Tariff Act of 1930, as amended (the Act). See Preliminary Decision Memorandum for a full description of the methodology. We have continued to apply this methodology, and incorporate by reference this description of the methodology, for our final determination.

Analysis of CommentsReceived

All issues raised in the case and rebuttal briefs by parties in these inquiries are addressed in the Issues and Decision Memorandum. A list of the issues raised is attached to this notice at the Appendix.

Based on our analysis of the comments received from interested parties, we made no revisions to the Preliminary Determination.

Final Negative Determination of Circumvention

We determine that imports of CORE completed in South Africa are not circumventing the China CORE Orders at this time.

Notification Regarding Administrative Protective Order

This notice will serve as the only reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This determination is issued and published in accordance with section 781(b) of the Act and 19 CFR 351.225(f).

Dated: June 1, 2021.

Christian Marsh,
Acting Assistant Secretary for Enforcement and Compliance.
