Emulsion Styrene-Butadiene Rubber from Brazil: Preliminary Results of Antidumping Duty Administrative Review; 2019-2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) has preliminarily assigned ARLANXEO Brasil S.A. (ARLANXEO Brasil), the sole respondent subject to this antidumping duty (AD) administrative review, an AD margin based on the application of adverse facts available (AFA). We invite interested parties to comment on these preliminary results.

DATES: Applicable [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

Background

On October 30, 2020, Commerce published in the Federal Register the notice of initiation of an antidumping duty administrative review on emulsion styrene-butadiene rubber (ESB rubber) from Brazil, covering ARLANXEO Brasil for the period of review (POR) September 1, 2019, through August 31, 2020.¹ On November 19, 2020, Commerce issued the AD questionnaire to the sole mandatory respondent, ARLANXEO Brasil.² ARLANXEO Brasil did not respond to the AD questionnaire.

² See Commerce’s Letter, Initial AD Questionnaire, dated November 19, 2020 (AD Questionnaire).
For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum is available at http://enforcement.trade.gov/frn/.

Scope of the Order

The product covered by this review is certain ESB rubber from Brazil. For a full description of the scope see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Commerce is preliminarily relying upon facts otherwise available to determine a weighted-average dumping margin for ARLANXEO Brasil in this review. Commerce preliminarily finds that necessary information is not available on the record, and that ARLANXEO Brasil withheld information requested by Commerce, failed to provide the requested information in the form and manner requested, and significantly impeded the proceeding, warranting a determination on the basis of the facts available under sections 776(a)(1) and (2)(A)-(C) of the Act. Further, Commerce preliminarily determines that ARLANXEO Brasil failed to cooperate to the best of its ability, and thus, Commerce is applying AFA in determining a margin for ARLANXEO Brasil, in accordance with section 776(b) of the Act. For a full description of the methodology underlying our conclusions regarding the application of AFA, see the Preliminary Decision Memorandum.

We preliminarily determine that the following weighted-average dumping margin exists for the period September 1, 2019 through August 31, 2020:

**Assessment Rate**

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable. If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate equal to ARLANXEO Brasil’s weighted-average dumping margin in the final results of this review to all entries of subject merchandise during the POR from ARLANXEO Brasil.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for ARLANXEO Brasil will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50

percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case
the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not
subject to this review, the cash deposit will continue to be the company-specific rate published
for the most recently completed segment of this proceeding in which the company participated;
(3) if the exporter is not a firm covered in this or a previously completed review, or in the
original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will
be the rate established for the most recent segment for the producer of the merchandise; and (4)
the cash deposit rate for all other producers or exporters will continue to be 19.61 percent, the
all-others rate established in the LTFV investigation. 5 These cash deposit requirements, when
imposed, shall remain in effect until further notice.

Disclosure

Normally, Commerce discloses the calculations performed in connection with

there are no calculations to disclose.
