II. What Does this Correction Do?

This notice is being issued to correct Table 1 in Unit II and the corresponding existing stocks and provisions dates in Units IV and VI of the cancellation notice that published in the **Federal Register** on June 8, 2021 (86 FR 30460) (FRL-10024). As such, FR Doc. 2021-11919 that published in the **Federal Register** on June 8, 2021 (86 FR 30460) (FRL-10024-48) is corrected as follows:

1. On page 30460, in Table 1, remove the complete entries for “10163-41, 10163-225, 10163-242, 10163-243, and FL000011.”
2. Insert the following table below Table 1.

Table 1A.--Product Cancellations

EPA Registration Number	Product Name	Active Ingredients
10163-41	Prokil Cryolite 96	Cryolite
10163-225	Gowan Cryolite Bait	Cryolite
10163-242	Prokil Cryolite 75-Dust	Cryolite
10163-243	Prokil Cryolite 50-Dust	Cryolite
FL000011	Prokil Cryolite 96	Cryolite

3. On page 30461, in Unit IV., insert “The effective date of the cancellations that are the subject of this notice for the product registrations identified in Table 1A of Unit II., will be September 30, 2022.”
4. On page 30461, in Unit VI., insert “The registrant may continue to sell and distribute existing stocks of the cryolite products listed in Table 1A of Unit II. until March 31, 2024, which is 18 months after the effective date of the cancellations.”

Prior to the issuance of the cancellation order, the registrant of the five cryolite product registrations in Table 1A, requested the cancellations to be effective on September 30, 2022. The Agency intended to accept this effective cancellation date, but inadvertently neglected to separate out these products with the correct effective date in the prior cancellation order. In addition, as requested, the registrant may continue to sell and distribute existing stocks of the cryolite products listed in Table 1A of Unit II. until March 31, 2024, which is 18 months after the effective date of the cancellations. Persons other than the registrants may sell, distribute, or use existing stocks of products listed in Table 1A of Unit II. until exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.
