SUPPLEMENTARY INFORMATION:

Background

On February 15, 2019, Commerce published in the Federal Register the countervailing duty (CVD) order on truck and bus tires from the China.1 On April 8, 2020, Commerce published in the Federal Register an initiation notice for an administrative review of the Order on 46 producers/exporters for the POR.2 For events that occurred since the Initiation Notice, see

the Preliminary Decision Memorandum. On June 17, 2021, the President signed into law the Juneteenth National Independence Day Act, making June 19 a Federal holiday. Because the Federal holiday fell on a Saturday, it was observed on Friday, June 18, 2021. Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. Accordingly, the deadline for these preliminary results is on June 21, 2021.

Scope of the Order

The products covered by the Order are truck and bus tires from China. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. On April 14, 2020, Sailun withdrew its request for review of Sailun Group Co., Ltd.; Sailun (Shenyang) Tire Co., Ltd.; Sailun Group (Hong Kong) Co., Limited (previously known as Sailun Jinyu Group (Hong Kong) Co., Limited) and requested Commerce rescind the administrative review with respect to these companies. In the Respondent Selection Memorandum, we stated our intent to rescind the review of these Sailun companies because the withdrawal of review was timely filed and no other party requested a review of these companies. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the Order with respect to Sailun companies noted above.

Methodology

6 Sailun Group Co., Ltd.; Sailun (Shenyang) Tire Co., Ltd.; Sailun Group (Hong Kong) Co., Limited (previously known as Sailun Jinyu Group (Hong Kong) Co., Limited) (collectively, Sailun).

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/index.html. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice.

Preliminary Rate for Non-Selected Companies Under Review

There are 41 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these companies, because the rates calculated for the mandatory respondents, Qingdao Ge Rui Da Rubber Co., Ltd. (GRT) and Prinx Chengshan (Shandong) Tire Co., Ltd. (PCT), were above de minimis and not based entirely on facts available, we are applying to the non-selected companies the average of the net subsidy rates calculated for GRT and PCT, which we calculated using the publicly ranged sales data submitted by GRT and PCT. This

---

8 See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
9 With two respondents under examination, Commerce normally calculates (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company’s publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most
methodology to establish the all-others subsidy rate is consistent with our practice and section 705(c)(5)(A) of the Act. For further information on the calculation of the non-selected respondent rate, refer to the section in the Preliminary Decision Memorandum entitled “Non-Selected Companies Under Review.” For a list of non-selected companies, see Appendix II.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, GRT and PCT, which includes their cross-owned affiliates, where applicable.

We preliminarily find the countervailable subsidy rates for the mandatory and non-selected respondents under review to be as follows:

\textbf{Assessment Rates}

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. \textsuperscript{15} See \textit{Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period}, 85 FR 29615 (May 18, 2020); and \textit{Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period}, 85 FR 41363 (July 10, 2020).
Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 15, 2019, through December 31, 2019, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respondents listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, CBP will continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: June 21, 2021.
