Preliminary Results of Countervailing Duty Administrative Review; 2019

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain exporters/producers of certain cut-to-length plate from the Republic of Korea (Korea) received countervailable subsidies during the period of review (POR), January 1, 2019, through December 31, 2019.

DATES: Applicable [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

Background

On February 10, 2000, Commerce published in the Federal Register the countervailing duty (CVD) order on CTL Plate from Korea.¹ On April 20, 2020, Commerce published in the Federal Register its initiation of the CVD administrative review of the Order for the period of

January 1, 2019, to December 31, 2019. On May 6, 2020, Commerce selected Hyundai Steel Co., Ltd. (Hyundai Steel) as the sole mandatory respondent in this administrative review. On June 10, 2020, Commerce declined to select Dongkuk Steel Mill Co., Ltd. (DSM) as a voluntary respondent in this review. On April 26, 2021, Commerce initiated on new subsidy allegations on two programs.

Commerce tolled all deadlines in administrative reviews by 50 days on April 24, 2020, and by an additional 60 days on July 22, 2020. On January 29, 2021, Commerce extended the deadline for issuance of the preliminary results of this review by 120 days, until June 18, 2021, in accordance with 19 CFR 351.213(h)(2).

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included in the Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). 2 See Initiation of Antidumping and Countervailing Duty Administrative Reviews, 85 FR 19730 (April 20, 2020) (Initiation Notice). The Initiation Notice lists the company name Hyundai Steel Co., Ltd. (as requested by the petitioners) and Hyundai Steel Company (as requested by the firm itself). For purposes of this notice, we are treating both firms as the same company and hereinafter refer to them as Hyundai Steel.

Scope of the Order

The product covered by this order is certain cut-to-length carbon-quality steel plate. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(l)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.\(^\text{10}\) For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Rate for Non-Selected Companies Under Review

To determine the rate for companies not selected for individual examination, Commerce’s practice is to follow the instructions to calculate the all-others rate under section 705(c)(5) of the Act and weight average the net subsidy rates for the selected mandatory companies, excluding rates that are zero, de minimis, or based entirely on facts available.\(^\text{11}\) In this review, we preliminarily calculated a de minimis subsidy rate for the sole mandatory respondent (i.e., Hyundai Steel) during the POR. In CVD proceedings, where the number of respondents being individually examined has been limited, Commerce has determined that a “reasonable method” to use to determine the rate applicable to companies that were not individually examined when all the rates of selected mandatory respondents are zero or de minimis is to assign to the non-selected respondents the average of the most recently determined rates that are not zero, de minimis, or based entirely on facts available.\(^\text{12}\) However, if a non-

selected respondent has its own calculated rate that is contemporaneous with or more recent than such previous rates, Commerce has found it appropriate to apply that calculated rate to the non-selected respondent, even when that rate is zero or *de minimis*.\textsuperscript{13}

In the most recently completed administrative review of this order, we calculated a net subsidy rate of 0.28 percent *ad valorem* for DSM. Therefore, consistent with Commerce’s practice, described above, we are assigning the rate of 0.28 percent *ad valorem* to DSM, based on the company’s rate calculated in the prior review.\textsuperscript{14}

With regard to the two other remaining non-selected companies, for which an individual rate was not calculated, we are assigning the rate of 0.50 percent *ad valorem*, which is the only above *de minimis* rate calculated in the most recently completed administrative review.\textsuperscript{15}

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates for the period January 1, 2019, through December 31, 2019:

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.
