producer/exporter of subject merchandise, Dalmine S.p.A. (Dalmine).<sup>3</sup> For details regarding the events that occurred subsequent to the initiation of the review, *see* the Preliminary Decision Memorandum.<sup>4</sup>

Pursuant to section 751(a)(3)(A) of the Act, Commerce determined that it was not practicable to complete the preliminary results of this review within the 245 days and extended these preliminary results by 120 days, until June 30, 2021.<sup>5</sup>

#### Scope of the Order

The products covered by the *Order* are certain cold-drawn mechanical tubing of carbon and alloy steel products from Italy. For a full description of the scope, *see* the Preliminary Decision Memorandum.

#### Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. We calculated export price and constructed export price in accordance with section 772 of the Act. We calculated NV in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>.

#### Preliminary Results of the Review

<sup>3</sup> *Id.*, 85 FR at 47734.

<sup>4</sup> *See* Memorandum, "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order: Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from Italy; 2019-2020," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

<sup>5</sup> *See* Memorandum, "Certain Cold Drawn Mechanical Tubing from Italy: Extension of Deadline for Preliminary Results of the Antidumping Duty Administrative Review, 2019-2020," dated February 3, 2021.

We preliminarily determine that the following weighted-average dumping margin exists for the period June 1, 2019, through May 31, 2020:

Exporter/Producer	Weighted-Average Dumping Margin (percent)
Dalmine S.p.A.	0.00

#### Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If Dalmine's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Dalmine's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>6</sup>

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Dalmine for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair value (LTFV) investigation (*i.e.*, 47.87 percent)<sup>7</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>8</sup>

---

<sup>6</sup> See section 751(a)(2)(C) of the Act.

<sup>7</sup> See Order.

<sup>8</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Consistent with its recent notice,<sup>9</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Dalmine in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 47.87 percent,<sup>10</sup> the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

---

<sup>9</sup> See *Notice of Discontinuation of Policy to Issue Liquidation Instructions After 15 Days in Applicable Antidumping and Countervailing Duty Administrative Proceedings*, 86 FR 884 (January 15, 2021).

<sup>10</sup> See *Order*.

Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>12</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.<sup>13</sup> Executive summaries should be limited to five pages total, including footnotes. Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.
