
Rule 17g-7 contains disclosure requirements for Nationally Recognized Statistical Rating Organizations (“NRSROs”) including certain information to be published when taking a rating action with respect to a credit rating. There are 9 credit rating agencies registered as NRSROs with the Commission. The Commission estimates that the total burden for respondents to comply with Rule 17g-7 is 695,253 based on the number of NRSROs and the number of credit rating actions.

An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.
