Initiation and Preliminary Results of Changed Circumstances Review: Certain Softwood Lumber Products from Canada

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) of the antidumping duty (AD) order on certain softwood lumber products (softwood lumber) from Canada and simultaneously issuing preliminary results finding CHAP Alliance, Inc. (CHAP) to be the successor-in-interest to L’Atelier de Readaption au Travail de Beauce Inc. (L’Atelier).

DATES: Applicable (Insert date of publication in the Federal Register.)

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the Federal Register an AD order on softwood lumber from Canada. On May 5, 2021, Commerce received a request on behalf of CHAP for an expedited CCR to establish CHAP as the successor-in-interest to L’Atelier with respect to the Order. On June 8, 2021, Commerce informed CHAP that it required additional

---

information in order to determine whether to initiate the requested CCR.\(^3\) On June 24, 2021, CHAP provided the requested information.\(^4\)

**Scope of the Order**

The merchandise covered by the *Order* is softwood lumber, siding, flooring and certain other coniferous wood (softwood lumber products). Softwood lumber product imports are generally entered under Chapter 44 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Order* is dispositive.\(^5\)

**Initiation**

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(d), Commerce will conduct a CCR upon receipt of information or a review request showing changed circumstances sufficient to warrant a review of an order. Among other things, Commerce has conducted CCRs to consider the applicability of cash deposit rates after there have been changes in the name or structure of a company, such as a merger or spinoff (successor-in-interest, or successorship, determinations).

We find the information provided is sufficient to warrant a CCR of the *Order*. Specifically, the information CHAP provided regarding L’Atelier’s name change to CHAP demonstrates changed circumstances sufficient to warrant a CCR with respect to the *Order*.

Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d), we are initiating a CCR to determine whether CHAP is the successor-in-interest to L’Atelier for purposes of the *Order*.

\(^5\) For a complete description of the scope of the *Order*, see Memorandum, “Initiation and Preliminary Results of Changed Circumstances Review: Certain Softwood Lumber Products from Canada,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).
In addition, Commerce’s regulations (19 CFR 351.221(c)(3)(ii)), permit it to initiate a CCR and issue the preliminary results of that CCR simultaneously if it concludes that expedited action is warranted. We have on the record the information necessary to make a preliminary finding and, therefore, we find that expedited action is warranted. Consequently, we are combining the initiation of the CCR described above and our preliminary results, in accordance with 19 CFR 351.221(c)(3)(ii).

Preliminary Results

In determining whether one company is the successor to another for AD purposes, Commerce examines a number of factors including, but not limited to, changes in: (1) management; (2) production facilities; (3) suppliers; and (4) customer base. While no one, or several, of these factors will necessarily provide a dispositive indication of succession, Commerce will generally consider one company to be the successor to another company if its resulting operations are essentially the same as those of its predecessor. Thus, if the evidence demonstrates that, with respect to the production and sale of the subject merchandise, the company, in its current form, operates as essentially the same business entity as the prior company, Commerce will assign the new company the cash deposit rate of its predecessor.

CHAP provided evidence that: (1) L’Atelier’s name changed to CHAP in February 2021; and (2) there were no significant changes to management, production facilities, suppliers, or customer base. Based on the foregoing, which is explained in greater detail in the

Should our final results of review remain the same as these preliminary results of review, effective the date of publication of the final results of review, we will instruct U.S. Customs and Border Protection to apply L’Atelier’s cash deposit rate to CHAP.
