Title: Community Development Revolving Loan Fund – Loan and Grant Programs, 12 CFR Part 705.

Type of Review: Extension of a currently approved collection.

Abstract: NCUA’s Community Development Revolving Loan Fund (CDRLF or Fund) was established by Congress (Pub. L. 96-123, November 20, 1979) to stimulate economic development in low-income communities. Part 705 was adopted by the Board under section 130 of the Federal Credit Union Act (12 U.S.C. 1772c-1), which implements the Community Development Credit Union Revolving Loan Fund Transfer Act (Pub. L. 99-609, 100 Stat.3475 (Nov. 6. 1986)).

The Fund is used to support credit unions that serve low-income communities by providing loans and technical assistance grants to qualifying institutions. The programs are designed to increase income, ownership, and employment opportunities for low-income residents, and to stimulate economic growth. In addition, the programs provide assistance to improve the quality of services to the community and formulate more effective and efficient operations of credit unions. The information will allow NCUA to assess a credit union's capacity to repay the Funds and/or ensure that the funds are used as intended to benefit the institution and community it serves.
