Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form SF-3 (17 CFR 239.45) is a short form registration statement used for non-shelf issuers of asset-backed securities to register a public offering of their securities under the Securities Act of 1933 (15 U.S.C. 77a et seq.). Form SF-3 takes approximately 1,380 hours per response and is filed by approximately 71 issuers annually. The information collected is intended to ensure that the information required to be filed by the Commission permits verification of compliance with securities law requirements and assures the public availability of such information in the asset-backed securities market. We estimate that 25% of the 1,383.21 hours per response (345.80 hours) is prepared by the issuer for a total annual reporting burden of 24,552 hours (345.80 hours per response x 71 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting “Currently under 30-day Review - Open for Public Comments” or by using the search function.
