Information Collection Request Submitted to OMB for Review and Approval; Comment Request; Drug Testing for Contractor Employees (Renewal)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) has submitted an information collection request (ICR), Drug Testing for Contractor Employees (EPA ICR No. 2183.08, OMB Control No. 2030-0044) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This is a proposed extension of the ICR, which is currently approved through September 30, 2021. Public comments were previously requested via the *Federal Register* on March 8, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments. A fuller description of the ICR is given below, including its estimated burden and cost to the public. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: Additional comments may be submitted on or before [insert date 30 days after publication in the Federal Register].

ADDRESSES: Submit your comments, referencing Docket ID Number EPA-HQ-OARM-2018-0065, online using www.regulations.gov (our preferred method), or by mail to: EPA Docket Center, Environmental Protection Agency, Mail Code 28221T, 1200 Pennsylvania Ave., NW, Washington, DC 20460. EPA's policy is that all comments received will be included in the public docket without change including any personal information provided, unless the comment includes profanity, threats, information claimed to be Confidential Business Information (CBI), or other information whose disclosure is restricted by statute.

Submit written comments and recommendations to OMB for the proposed information collection within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review - Open for Public Comments" or by using the search function.

Abstract: This ICR applies to contractors who perform response services at sensitive sites with serious security concerns where the Agency and public interest would best be protected through drug testing. It requires the contractor to test its employees for the use of marijuana, cocaine, opiates, amphetamines, phencyclidine (PCP), and any other controlled substances. Only contractor employees who have been tested within the previous 90 calendar days and have passing drug test results may be directly engaged in on-site response work and/or on-site related activities at designated sites with significant security concerns. The Agency may request contractors responding to any of these types of incidents to conduct drug testing and apply Government-established suitability criteria in title 5 CFR 731.104, *Appointments subject to investigation*, 732.201, *Sensitivity level designations and investigative requirements*, and 736.102, *Notice to investigative sources*, when determining whether employees are acceptable to perform on given sites or on specific projects.

Form Numbers: None.

Respondents/affected entities: Private contractors.

Respondent's obligation to respond: Required to obtain a benefit per title 5 CFR 731.104.

Estimated number of respondents: 500 (total).

Frequency of response: Annual.

Total estimated burden: 1,125 hours (per year). Burden is defined at 5 CFR 1320.03(b)

Total estimated cost: \$133,010 (per year), includes \$0 annualized capital or operation & maintenance costs.

Changes in Estimates: There is no change in the hours in the total estimated respondent burden compared with the ICR currently approved by OMB.

Courtney Kerwin,
Director,
Regulatory Support Division.
