Overview of this information collection:

- 1) *Type of Information Collection:* Reinstatement of the Survey of Campus Law Enforcement Agencies (SCLEA), with changes, a previously approved collection for which approval has expired.
- 2) *The Title of the Form/Collection:* 2021 Survey of Campus Law Enforcement Agencies (SCLEA)

- 3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number for the questionnaire is CJ-42. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

Periodically since 1995, BJS has collected information about the personnel, policies, and practices of campus law enforcement agencies via the Survey of Campus Law Enforcement Agencies (SCLEA). This survey has been used to produce nationally representative estimates on campus law enforcement personnel, duties, administration, technology, officer selection, officer training, equipment, and jurisdiction. The survey instrument was reviewed by practitioners and subject matter experts to update it from the 2011 form and ensure it covers current topics of interest to campus law enforcement while reducing respondent burden. BJS plans to publish the information collected in a report and archive the data for public use.
- 5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An agency-level survey will be sent to approximately 1,860 campus LEA respondents. The expected burden placed on these respondents is about 1 hour per respondent.
- 6) *An estimate of the total public burden (in hours) associated with the collection:* There is an estimated 1,860 total burden hours associated with this collection.
