SUPPLEMENTARY INFORMATION:

Background

On July 10, 2020, Commerce initiated an administrative review of the antidumping duty order on steel nails from the UAE in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). This review covers two producers/exporters of the subject merchandise: Middle East Manufacturing Steel LLC (MEM) and Rich Well Steel Industries LLC (Rich Well).2

2 Rich Well is referred to as “Richwell Steel Industries” in the Initiation Notice, 85 FR at 41548.
For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.³

On July 22, 2020, Commerce tolled all deadlines for all preliminary and final results in administrative reviews by 60 days.⁴ On March 18, 2021, Commerce extended the deadline for the preliminary results of this administrative review until July 30, 2021.⁵

Scope of the Order

The products covered by this order are steel nails from the UAE. For a full description of the scope, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum is available at http://enforcement.trade.gov/frn/.

Preliminary Results of the Review

³ See Memorandum, “Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order: Certain Steel Nails from the United Arab Emirates; 2019-2020,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).
We preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period May 1, 2019, through April 30, 2020:

**Assessment Rates**

Upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.\(^6\) If a respondent’s weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We intend to instruct CBP to assess antidumping duties on all appropriate entries covered by this review where the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If either respondent’s weighted-average dumping margin is zero or *de minimis*, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.\(^7\)

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by either respondent where the respondent did not know that the merchandise was destined for the United States, we intend to instruct CBP to

\(^7\) See section 751(a)(2)(C) of the Act.
liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.\(^8\)

Consistent with its recent notice,\(^9\) Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the finals results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rates published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered by this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 4.30 percent,\(^10\) the all-others rate established in the

LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Disclosure and Public Comment**

Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.\(^{12}\) Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.\(^{13}\) Case and rebuttal briefs should be filed using ACCESS\(^{14}\) and must be served on interested parties.\(^{15}\) Executive summaries should be limited to five pages total, including footnotes. final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: July 30, 2021.
