AUTHORITY: The Committee was established in accordance with 38 U.S.C. 545 and operates under the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. App. 2. In accordance with 38 U.S.C. 545, the Committee advises the Secretary on the provision by VA of benefits and services to assist Veterans in the readjustment to civilian life. In carrying out this duty, the Committee shall take into special account the needs of Veterans who served in combat theaters of operation. In accordance with the Statute and the Committee's current charter, the majority of the membership consist of non-Federal employees appointed by the Secretary from the general public, serving as special government employees.

The Secretary appoints Committee members and determines the length of terms in which the Committee members serve. A term of service for any member may not exceed 2 years. However, the Secretary can reappoint members for additional terms. Each year, there are several vacancies on the Committee, as members' terms expire.

Membership Criteria: The Committee is currently composed of 12 members. By statute, Committee consists of members appointed by the Secretary from the general public, including individuals who have demonstrated civic or professional achievement; and have experience with the provision of Veterans benefits and services by VA.

The membership will include: (1) Individuals from a wide variety of geographic areas and ethnic backgrounds; (2) individuals from Veterans service organizations; (3) individuals with combat experience; and (4) women.

In addition to the criteria above, VA seeks—

- (1) diversity in professional and personal qualifications;
- (2) experience in military service and military deployments (please identify Branch of Service and Rank);
- (3) current work with Veterans;
- (4) committee subject matter expertise; and
- (5) experience working in large and complex organizations.

The Committee meets at least two times annually, which may include a site visit to a VA field location. In accordance with Federal Travel Regulation, VA will cover travel expenses—to include per diem—for all members of the Committee, for any travel associated with official Committee duties. A copy of the Committee's most recent charter and a list of the current membership can be found at https://www.va.gov/ADVISORY/Advisory_Committee_on_the_Readjustment_of_Veterans_Statutory.asp. An ethics review is conducted for each selected nominee.

In accordance with recently revised guidance regarding the ban on lobbyists serving as members of advisory boards and commissions, Federally-registered lobbyists are prohibited from serving on Federal advisory committees in an individual capacity. Additional information regarding this issue can be found at www.federalregister.gov/articles/2014/08/13/2014-19140/revised-guidance-on-appointment-of-lobbyists-to-federal-advisory-committees-boardsand-commissions.

Requirements for Nomination Submission:

Nomination packages (one nomination per nominator) must be typed (12-point font) and include:

- (1) A cover letter from the nominee, and (2) a current resume that is ***no more than four pages in length***. The cover letter must summarize: The nominees' interest in serving on the committee and contributions she/he can make to the work of the committee; any relevant Veterans service

activities she/he is currently engaged in; the military branch affiliation and timeframe of military service (if applicable). To promote inclusion and demographic balance of membership, please include as much information related to the nominee's race, national origin, disability status, or any other factors that may give the individual a diverse perspective on Veteran readjustment Veterans. Finally, the cover letter **must** include the nominee's complete contact information (name, address, email address, and phone number); and a statement confirming that she/he is not a Federally-registered lobbyist. The resume should show professional and/or work experience, and Veterans service involvement—especially service that involves combat Veterans' and Active Duty service members' issues. Self-nominations are acceptable. Any letters of nomination from organizations or other individuals must accompany the package, when it is submitted. Letters of nomination submitted without a complete nomination package **will not** be considered. Do not submit a package, without the nominee's consent or awareness. Nominations must state that the nominee is willing to serve as a member of the Committee and appears to have no conflict of interest that would preclude membership.

The Department makes every effort to ensure that the membership of its advisory committees is fairly balanced, in terms of points of view represented. In the review process, consideration is given to nominees' potential to address the Committee's demographic needs (regional representation, race/ethnicity representation, professional expertise, war era service, gender, former enlisted or officer status, branch of service, etc.). Other considerations to promote a balanced membership include longevity of military service, significant deployment experience, ability to handle complex issues, experience running large organizations, and ability to contribute to the gender-specific health care and benefits needs of combat Veterans and Active Duty service members.

Jelessa M. Burney,
Federal Advisory Committee Management Officer.
