SUPPLEMENTARY INFORMATION: The Workforce Recruitment Program (WRP) is an existing collection in use without an OMB Control Number. The WRP is a recruitment and referral program that connects students with disabilities to an opportunity for employment. Through participating colleges and universities, WRP creates a database for Federal and select private-sector employers nationwide to find highly motivated college students and recent graduates with disabilities who are eager to demonstrate their abilities in the workplace through summer or permanent jobs. Candidates represent all majors, and range from college freshmen to graduate students and law students.

Information from these candidates is compiled in a searchable database that is available through this website to Federal Human Resources Specialists, Equal Employment Opportunity Specialists, and other Federal employees and hiring officials in Federal agencies. For additional substantive information about this ICR, see the related notice published in the Federal Register on March 24, 2021 (86 FR 15713).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
