NEEDS AND USES: Through the Office of Local Defense Community Cooperation (OLDCC), Department of Defense (DoD) funds are provided to communities for economic adjustment planning in response to closures and realignments of military installations. A measure of program evaluation is the monitoring of civilian job creation, and the type of redevelopment at former military installations. The respondents to the annual survey will generally be a single point of contact at the local level that is responsible for overseeing the base redevelopment effort. If this data is not collected, OLDCC will have no accurate, timely information regarding the civilian reuse of former military bases. As the administrator of the Defense Economic Adjustment Program, OLDCC has a responsibility to encourage private sector use of lands and buildings to generate jobs as military activity diminishes, and to serve as a clearinghouse for reuse data.

AFFECTED PUBLIC: Business or other for-profit; State, Local, or Tribal Government.

RESPONDENT'S OBLIGATION: Voluntary.
