Extension: Rules 400-404 of Regulation Crowdfunding (Intermediaries)

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information provided for Rule 17Ab2-1 (17 CFR 240.17Ab2-1) and Form CA-1: Registration of Clearing Agencies (17 CFR 249b.200) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

The collections of information required under Rules 400 through 404 is mandatory for all funding portals. Form Funding Portal helps ensure that the Commission can make information about funding portals transparent and easily accessible to the investing public, including issuers and obligated persons who engage funding portals; investors who may purchase securities through offerings on funding portals; and other regulators. Further, the information provided on Form Funding Portal expands the amount of publicly available information about funding portals, including disciplinary history. Consequently, the rules and forms allows issuers and the investing public, as well as others, to become more fully informed about funding portals in a more efficient manner.

Rule 400 requires each person applying for registration with the Commission as a funding portal to file electronically with the Commission Form Funding Portal. Rule 400(a) requires a funding portal to become a member of a national securities association registered under Section 15A of the Exchange Act. Rule 400(b) requires a funding portal to file an amendment to Form Funding Portal if any information previously submitted on Form Funding Portal becomes inaccurate for any reason. Rule 400(c) provides that a funding portal can succeed to the business of a predecessor funding portal upon the successor filing a registration on Form Funding Portal and the predecessor filing a withdrawal on Form Funding Portal.

Rule 400(d) requires a funding portal to promptly file a withdrawal of registration on Form Funding Portal upon ceasing to operate as a funding portal. Rule 400(e) states that duplicate originals of the applications and reports provided for in this section must be filed with surveillance personnel designated by any registered national securities association of which the funding portal is a member. Rule 400(f) requires a nonresident funding portal to: (1) obtain a written consent and power of attorney appointing an agent for service of process in the United States; (2) furnish the Commission with the name and address of its agent for services of process on Schedule C of Form Funding Portal; (3) certify that it can, as a matter of law, and will provide the Commission and any registered national securities association of which it becomes a member with prompt access to its books and records and can, as a matter of law, and will submit to onsite inspection and examination by the Commission and any registered national securities association of which it becomes a member; and (4) provide the Commission with an opinion of counsel and certify on Schedule C on Form Funding Portal that the firm can, as a matter of law, provide the Commission and registered national securities association of which it becomes a member with prompt access to its books and records and can, as a matter of law, submit to onsite inspection and examination by the Commission and any registered national securities association of which it becomes a member.¹

Rule 403(a) requires a funding portal to implement written policies and procedures reasonably designed to achieve compliance with the federal securities laws and the rules and regulations thereunder relating to its business as a funding portal. Rule 404 requires all registered funding portals to maintain certain books and records relating to their funding portal activities, for not less than five years, the first two in an easily accessible place. Rule 404(e) requires funding portals to furnish promptly to the Commission, its representatives, and the registered national securities association of which the funding portal is a member true, correct, complete and current copies of such records of the funding portal that are requested by the representatives of the Commission and the registered national securities association.
