Background

In E.O. 14024, the President found that specified harmful foreign activities of the Government of the Russian Federation—in particular, efforts to undermine the conduct of free and fair democratic elections and democratic institutions in the United States and its allies and partners; to engage in and facilitate malicious cyber-enabled activities against the United States and its allies and partners; to foster and use transnational corruption to influence foreign governments; to pursue extraterritorial activities targeting dissidents or journalists; to undermine security in countries and regions important to United States national security; and to violate well-established principles of international law, including respect for the territorial integrity of states—constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and declared a national emergency to deal with that threat.

Among other things, section 1 of E.O. 14024 blocks all property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, to operate or have operated in the technology sector or the defense and related materiel sector of the Russian
Federation economy, or any other sector of the Russian Federation economy as may be
determined by the Secretary of the Treasury, in consultation with the Secretary of State.

On February 22, 2022, the Secretary of the Treasury, in consultation with the Secretary of
State, determined that section 1(a)(i) of E.O. 14024 shall apply to the financial services sector of
the Russian Federation economy (“February 22, 2022 Determination Pursuant to Section 1(a)(i)
of Executive Order 14024”). Pursuant to this determination, any person that the Secretary of
Treasury, in consultation with the Secretary of State, or the Secretary of State, in consultation
with the Secretary of the Treasury (or their respective designees), subsequently determines
operates or has operated in the financial services sector of the Russian Federation economy shall
be subject to the prohibitions described in section 1(a)(i) of E.O. 14024.

On February 22, 2022, the Director of OFAC issued Directive 1A under E.O. 14024,
“Prohibitions Related to Certain Sovereign Debt of the Russian Federation” (Russia-related
Sovereign Debt Directive), replacing and superseding Directive 1 under E.O. 14024 of April 15,
2021 (86 FR 35867, July 7, 2021), to extend existing sovereign debt prohibitions to cover
participation in the secondary market for bonds issued after March 1, 2022 by the Central Bank
of the Russian Federation, the National Wealth Fund of the Russian Federation, or the Ministry
of Finance of the Russian Federation, effective March 1, 2022.

On February 24, 2022, the Director of OFAC issued Directive 2 under E.O. 14024,
“Prohibitions Related to Correspondent or Payable-Through Accounts and Processing of
Transactions Involving Certain Foreign Financial Institutions” (Russia-related CAPTA
Directive), which prohibits U.S. financial institutions from: (i) the opening or maintaining of a
correspondent account or payable-through account for or on behalf of foreign financial
institutions determined to be subject to the prohibitions of the Russia-related CAPTA Directive;
and (ii) the processing of transactions involving foreign financial institutions determined to be
subject to the prohibitions of the Russia-related CAPTA Directive. The effective date of these
prohibitions with respect to the entities listed in Annex 1 to the Russia-related CAPTA Directive,
or foreign financial institutions that are 50 percent or more owned, directly or indirectly, individually or in the aggregate, by one or more such entities, is March 26, 2022; for other entities determined to be subject to the Russia-related CAPTA Directive, or foreign financial institutions that are 50 percent or more owned, directly or indirectly, individually or in the aggregate, by one or more such entities, these prohibitions take effect at 12:01 a.m. eastern time on the date that is 30 days after the date of such determination.

Additionally, on February 24, 2022, the Director of OFAC issued Directive 3 under E.O. 14024, “Prohibitions Related to New Debt and Equity of Certain Russia-related Entities” (Russia-related Entities Directive), to prohibit all transactions in, provision of financing for, and other dealings in new debt of longer than 14 days maturity or new equity where such new debt or new equity was issued on or after 12:01 a.m. eastern daylight time, March 26, 2022 by the entities listed in Annex 1 to that directive, or their property or interests in property. These same prohibitions also apply to any entity subsequently determined to be subject to the prohibitions of the Russia-related Entities Directive, or its property or interests in property, beginning on or after 12:01 a.m. eastern time on the date that is 30 days after the date of such determination.

On February 28, 2022, the Director of OFAC issued Directive 4 under E.O. 14024, “Prohibitions Related to Transactions Involving the Central Bank of the Russian Federation, the National Wealth Fund of the Russian Federation, and the Ministry of Finance of the Russian Federation” (Russia-related Sovereign Transactions Directive), which prohibits U.S. persons from engaging in any transaction involving the Central Bank of the Russian Federation, the National Wealth Fund of the Russian Federation, or the Ministry of Finance of the Russian Federation, including any transfer of assets to such entities or any foreign exchange transaction for or on behalf of such entities.

The texts of the February 22, 2022 Determination Pursuant to Section 1(a)(i) of E.O. 14024, the Russia-related Sovereign Debt Directive, the Russia-related CAPTA Directive, the
Russia-related Entities Directive, and the Russia-related Sovereign Transactions Directive are below.

**Determination Pursuant to Section 1(a)(i) of Executive Order 14024**

Section 1(a) of Executive Order (E.O.) 14024 of April 15, 2021 (“Blocking Property With Respect To Specified Harmful Foreign Activities of the Government of the Russian Federation”) imposes economic sanctions on any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, or the Secretary of State, in consultation with the Secretary of the Treasury, to operate or have operated in such sectors of the Russian Federation economy as may be determined, pursuant to section 1(a)(i) of E.O. 14024, by the Secretary of the Treasury, in consultation with the Secretary of State.

To further address the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States described in E.O. 14024, and in consultation with the Secretary of State, I hereby determine that section 1(a)(i) shall apply to the financial services sector of the Russian Federation economy. Any person that I or my designee, in consultation with the Secretary of State or the Secretary of State’s designee, or the Secretary of State or the Secretary of State’s designee, in consultation with me or my designee, subsequently determine operates or has operated in such sector shall be subject to sanctions pursuant to section 1(a)(i).

This determination shall take effect upon publication by the Director of the Office of Foreign Assets Control on the Department of Treasury’s website.
