The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## **II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "NRC Form 790, "Classification Record." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on April 19, 2022, 87 FR 23277.

1. *The title of the information collection:* "NRC Form 790, "Classification Record."
2. *OMB approval number:* 3150-0052.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Form 790.
5. *How often the collection is required or requested:* On occasion. NRC Form 790 is required each time an authorized classifier makes a classification determination to

classify, declassify, or downgrade a document.

6. *Who will be required or asked to respond:* NRC licensees, licensees' contractors, and certificate holders who classify and declassify NRC information.

7. *The estimated number of annual responses:* 100.

8. *The estimated number of annual respondents:* 2.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 20.33.

10. *Abstract:* Completion of the NRC Form 790 is a mandatory requirement for NRC licensees, licensees' contractors, and certificate holders who classify and declassify NRC information in accordance with Executive Order 13526, "Classified National Security Information," the Atomic Energy Act, and implementing directives. The NRC uses the information on the form to report statistics related to its security classification program on an annual basis to the Information Security Oversight Office.

**Dated:** September 14, 2022.
