#### SUPPLEMENTARY INFORMATION:

##### Correction

In the *Federal Register* of September 8, 2022, FR Doc. 2022-19342, on page 54976, in the weighted-average dumping margin table, make the following correction:

- In the first row of the “Exporter” column, revise the first-listed company name, “Jiangsu Alcha Aluminum Co., Ltd.” to “Jiangsu Alcha Aluminum Group Co., Ltd.”

## Background

On September 8, 2022, Commerce published in the *Federal Register* the final results of the administrative review of the antidumping duty order on common alloy aluminum sheet from China covering the period February 1, 2020, through January 31, 2021.<sup>1</sup>

In the weighted-average dumping margin table, Commerce inadvertently misidentified Jiangsu Alcha Aluminum Group Co., Ltd., as Jiangsu Alcha Aluminum Co., Ltd. (omitting the word “Group” between “Aluminum” and “Co.”).

The corrected weighted-average dumping margin table is as follows:

| <b>Exporter</b>                                                                                                                    | <b>Weighted-Average Dumping Margin<br/>(percent)</b> |
|------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
| Jiangsu Alcha Aluminum Group Co., Ltd. <sup>2</sup> /<br>Baotou Alcha Aluminum Co., Ltd. / Alcha<br>International Holdings Limited | 51.50                                                |
| Non-Selected Company Under Review Receiving a Separate Rate                                                                        |                                                      |
| Yinbang Clad Material Co., Ltd                                                                                                     | 51.50                                                |
