Abstract: The NPS administers the NRT program as authorized by section 4 of the National Trails System Act (16 USC 1243) and Secretarial Order No. 3319, which establishes National Water Trails as a class of National Recreation Trails and directs that such trails collectively be considered in a National Water Trails System.

The NPS uses forms 10-1002: *Application for Designation as National Water Trail* and 10-1003: *Application for Designation as National Recreation Trail*, to evaluate the applications for adherence to NRT requirements and criteria. NPS Approval of an application is based on 1) the sufficiency of information provided on the application form and in supporting documentation, such as photographs, maps, and written landowner consents that accompany the form, and 2) successfully meeting the NRT requirements and criteria. Successful applications are forwarded to the Secretary of the Interior for approval. Revisions to Forms 10-1002: *Application for Designation – National Water Trails System* and 10-1003: *Application for Designation -- National Recreation Trail* are intended to better clarify trail attributes, provide more detailed public information, and align questions asked to establish a more unified application process.
