SUMMARY: In accordance with the Clean Air Act, as amended (CAA or the Act), notice is hereby given of a proposed consent decree in *Sierra Club, et al. v. Regan*, No. 3:22-cv-01992-JD (N.D. Cal.). On March 29, 2022, Plaintiffs Sierra Club, Air Alliance Houston, Center for Biological Diversity, Citizens for Pennsylvania's Future, Clean Air Council, and Texas Environmental Justice Advocacy Services filed a complaint in the United States District Court for the Northern District of California alleging that the Environmental Protection Agency (EPA or the Agency) failed to perform a non-discretionary duty in accordance with the Act to promulgate Federal Implementation Plans (FIPs) to address the "Good Neighbor" requirements of the CAA for the 2015 ozone national ambient air quality standards (NAAQS) for four states: Pennsylvania, Utah, Virginia, and New Mexico. The proposed consent decree would establish deadlines for EPA to take specified actions.

II. Additional Information about the Proposed Consent Decree

The proposed consent decree would resolve a lawsuit filed by Sierra Club et al. seeking to compel the Administrator to promulgate FIPs for the States of Pennsylvania, Utah, Virginia, and New Mexico to satisfy the requirements of CAA section 110(a)(2)(D)(i)(I) for the 2015 ozone NAAQS. On October 1, 2015, EPA promulgated a final rule revising the ozone NAAQS. Effective January 6, 2020, EPA determined that New Mexico, Pennsylvania, Utah and Virginia

had “not submitted [a] complete interstate transport [SIP] to meet the requirements of CAA section 110(a)(2)(D)(i)(I) for the 2015 ozone NAAQS.”¹ This action established a 2-year deadline under CAA section 110(c)(1) for EPA to promulgate FIPs for New Mexico, Pennsylvania, Utah, and Virginia to satisfy these requirements unless, before EPA promulgates such FIPs, the State submits and EPA approves a state implementation plan (SIP) that meets these requirements.

Under the terms of the proposed consent decree, no later than March 15, 2023, EPA must sign a final rule or rules taking one or more of the following actions with respect to the States of Pennsylvania, Utah, and Virginia to meet the requirements of CAA section 110(a)(2)(D)(i)(I) regarding prohibiting significant contribution to nonattainment or interference with maintenance in other states for the 2015 ozone NAAQS: (a) promulgate a FIP; (b) approve a SIP; or (c) partially approve a SIP in conjunction with promulgating a partial FIP. In addition, under the terms of the proposed consent decree, no later than June 1, 2024, EPA must sign a final rule or rules taking one or more of the following actions with respect to the State of New Mexico to meet the requirements of CAA section 110(a)(2)(D)(i)(I) regarding prohibiting significant contribution to nonattainment or interference with maintenance in other states for the 2015 ozone NAAQS: (a) promulgate a FIP; (b) approve a SIP; or (c) partially approve a SIP in conjunction with promulgating a partial FIP.

In accordance with section 113(g) of the CAA, for a period of thirty (30) days following the date of publication of this document, the Agency will accept written comments relating to the proposed consent decree. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.
