SUPPLEMENTARY INFORMATION:

Background

GSA, in compliance with the FedRAMP Authorization Act of 2022, is required to establish the Federal Secure Cloud Advisory Committee (FSCAC), a statutory advisory committee in accordance with the provisions of FACA (5 U.S.C. 10). The Federal Risk and
Authorization Management Program (FedRAMP) within GSA is responsible for providing a standardized, reusable approach to security assessment and authorization for cloud computing products and services that process unclassified information used by agencies.

The FSCAC will provide advice and recommendations to the Administrator of GSA, the FedRAMP Board, and agencies on technical, financial, programmatic, and operational matters regarding the secure adoption of cloud computing products and services. The FSCAC will ensure effective and ongoing coordination of agency adoption, use, authorization, monitoring, acquisition, and security of cloud computing products and services to enable agency mission and administrative priorities. The purposes of the Committee are:

- To examine the operations of FedRAMP and determine ways that authorization processes can continuously be improved, including the following:
  - Measures to increase agency reuse of FedRAMP authorizations.
  - Proposed actions that can be adopted to reduce the burden, confusion, and cost associated with FedRAMP authorizations for cloud service providers.
  - Measures to increase the number of FedRAMP authorizations for cloud computing products and services offered by small businesses concerns (as
defined by section 3(a) of the Small Business Act (15 U.S.C. 632(a)).

- Proposed actions that can be adopted to reduce the burden and cost of FedRAMP authorizations for agencies.
  - Collect information and feedback on agency compliance with and implementation of FedRAMP requirements.
  - Serve as a forum that facilitates communication and collaboration among the FedRAMP stakeholder community.

The Federal Secure Cloud Advisory Committee will meet no fewer than three (3) times a calendar year. Meetings shall occur as frequently as needed, called, and approved by the DFO. Meetings will be held virtually or in person. Members will serve without compensation and may be allowed travel expenses, including per diem, in accordance with 5 U.S.C. 5703.

The Committee shall be comprised of not more than 15 members who are qualified representatives from the public and private sectors, appointed by the Administrator, in consultation with the Director of OMB, as follows:

i. The GSA Administrator or the GSA Administrator's designee, who shall be the Chair of the Committee.

ii. At least one representative each from the Cybersecurity and Infrastructure Security Agency and the National Institute of Standards and Technology.

iii. At least two officials who serve as the Chief Information Security Officer within an agency, who
shall be required to maintain such a position throughout the duration of their service on the Committee.

iv. At least one official serving as Chief Procurement Officer (or equivalent) in an agency, who shall be required to maintain such a position throughout the duration of their service on the Committee.

Each member shall be appointed for a term of three (3) year terms, except the initial terms, which may be staggered one (1), two (2) or three (3) year terms to establish a rotation in which one third of the members are selected. No member shall be appointed for more than two (2) consecutive terms nor shall any member serve for more than six (6) consecutive years. GSA values opportunities to increase diversity, equity, inclusion and accessibility on its federal advisory committees.
Members will be designated as Regular Government Employees (RGEs) or Representative members as appropriate and consistent with Section 3616(d) of the FedRAMP Authorization Act of 2022. GSA’s Office of General Counsel will assist the Designated Federal Officer (DFO) to determine the advisory committee member designations. Representatives are members selected to represent a specific point of view held by a particular group, organization, or association. Members who are full time or permanent part-time Federal civilian officers or employees shall be appointed to serve as Regular Government Employee (RGE) members. In accordance with OMB Final Guidance published in the Federal Register on October 5, 2011 and revised on August 13, 2014, federally registered lobbyists may not serve on the Committee in an individual capacity to provide their own individual best judgment and expertise, such as RGEs members. This ban does not apply to lobbyists appointed to provide the Committee with the views of a particular group, organization, or association, such as Representative members.
