SUPPLEMENTARY INFORMATION:

Agenda:

The Advisory Panel will review the 2023 Scallop Work Priorities, including a work plan for this calendar year. They also plan to review and recommend revisions, if necessary, to the draft goals and objectives for the Northern Edge Habitat/Scallop Management Framework. The draft goals and objectives will be discussed by the Habitat Committee on March 23, 2023. Also on the agenda is a discussion of potential

modifications to the RSA program as recommended by the RSA Program Review and Sea Scallop Survey Working Group. The Advisory Panel plans to discuss the Scallop RSA Priorities and begin identifying possible focus areas for 2024/25. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
