*Justification:* The Consolidated Appropriations Act, 2023, included additional funds to support Infant Toddler Courts. Guidance provided in House Report 117-403 specified a “funding increase of \$5,000,000 above the fiscal year 2022 enacted level to existing court team grantees,” which HRSA understands is intended to include support for teams currently funded by ITCP State awards (HRSA-22-073). The supplemental awards align with the current ITCP – State awards funding opportunity (HRSA-22-073) and program purpose to continue and expand research-based infant-toddler court teams to improve child welfare practices and enhance the early developmental health and well-being of infants, toddlers, and their families. HRSA is awarding a total of approximately \$2.7 million to the 12 current ITCP – State award recipients noted in Table 1.
