A. Overview of Information Collection

Title of Information Collection: Public Housing Inventory Removal Application, General Depository Agreement, and Notification of Future Public Housing Development.

OMB Approval Number: 2577-0075.

Type of Request: Revision of a currently approved collection.

Form Number: HUD-51999; HUD 52860, HUD 52860-A, HUD 52860-B, HUD 52860-C; HUD 52860-D; HUD 52860-E, HUD 52860-F, HUD-52860-G, and HUD-5837.

Description of the need for the information and proposed use: This collection covers the paperwork and HUD 52860 form requirements that PHAs must use when they request HUD approval to remove public housing real property (including units) from their public housing program through the following sections of the United States Housing Act of 1937 Section 18 (demolition/disposition), Section 22 (voluntary conversion), Section 33 (required conversion) and Section 32 (homeownership conveyance) as well as through settlement agreements in lieu of court proceedings for proposed eminent domain takings of public housing property and retention requirements under 2 CFR 200.311. Note that HUD approval of a removal action does not automatically or necessarily result in actual

removal; rather, the PHA must complete the actual removal and comply with the applicable HUD reporting requirements to document the actual removal.

The collection is a renewal and is also a request to change the collection name to: Public Housing Inventory Removals Application, General Depository Agreement, and Notification of Public Housing Closeout or Future Development from: Public Housing Annual Contributions Contract and Inventory Removal Application

This collection covers the paperwork and HUD-51999 (General Depository Agreement) (GDA) form that PHAs must use when they receive restricted funds and program income, by requiring such funds to be deposited into interest-bearing accounts at financial institutions whose deposits or accounts are insured by the Federal Deposit Insurance Corporation (FDIC) or the National Credit Union Share Insurance Fund (NCUSIF) and if the insurance limits are exceeded, then to be fully and continuously collateralized with HUD approved investments.

This collection covers the paperwork and HUD-5837 (Notification of Future Development) form information that PHAs must provide when they are submitting applications that remove all their public housing units about their plans for potential new public housing development or closeout of their public housing program. The HUD-5837 is used by HUD to monitor the federal public housing inventory and PHA status as an entity with which HUD has a valid and ongoing Annual Contributions Contract (ACC).

The revision of this collection does two things.

First, it removes the following three forms from this collection:

- Annual Contributions Contract (ACC) (HUD-53012).
- Declaration of Trust/Declaration of Restrictive Covenants (DOT/DORC) (HUD-52190). This form is included in OMB Collection 2577-0275.
- Capital Fund Program (CFP) Amendment to the Annual Contributions Contract (ACC) Office of Public and Indian Housing (HUD-52840-A). This form is being included in its own collection.

Second, it makes formatting, instructional and other changes to the remaining forms to provide clearer direction and to ensure PHAs are fully complying with all applicable statutory and regulatory requirements.

Respondents: Public housing agencies.
